
South Africa - Sun City, Safari & Cape Town

11 Nights, 4 on Safari | 4 Rounds

The iconic Gary Player Country Club, for years the host of the MILLION DOLLAR tournament, is the jewel around which this 11-night schedule is built. OVERNIGHT: **Palace of the Lost City** - 2 Luxury Room

Monday, January 3

Today play **The Lost City (tbc)**. The desert style design of the golf course has an exotic allure all of its own and designer, Gary Player has acknowledged it as one of his favorite courses. The Lost City Golf Course is flexible: playing off the forward tee a course length of 5953 meters, extending to 6 983 meters off the back tee. The course provides spectacular views of the Palace Hotel and the neighboring game reserve. The most hazardous area of the Lost City Golf Course is the 13th hole. Inhabiting the water hazard are 38 Nile crocodiles, some of them nearly 14 ft long. Playing the back nine is like going on a golf safari. It has often been noted that the game is more exciting when played downhill and this is certainly the case here. In addition to the previously mentioned 13th, holes eleven, fourteen, fifteen and sixteen are all played from elevated tees offering thrill, excitement and challenge to the golfer. And some of the most spectacular African views to be had on a golf course.

Tuesday, January 4

Today play **Gary Player Country Club (tbc)**. Arguably South Africa's most famous course courtesy of its status as

host of the Nedbank Golf Challenge and its position as the Top ranked course for 5 years. Situated in the crater of an extinct Volcano, the course cuts through the African bush and flanks a nature reserve, for 16 holes. Thick kikuyu rough and impenetrable bush punishes the wayward shot, so come armed with a good swing and a better brain. The course is blessed with superb greens that have recently been rebuilt and modernized with the bunkers.
