The Oitavos opened in 2010 on the Lisbon Coast, overlooking Oitavos Dunes Golf Course. Inspired by the timeless beauty of the Atlantic coast, The Oitavos seeks to embrace rather than compete with nature. Its bold design, sleek lines and elegantly simple interiors focus attention outwards on the historical and natural elements of the surrounding landscape and the drama and romance of the Ocean. The blue of the sea and sky combine with the yellows and greens of the wild flowers and trees to touch your senses, while contemporary sculpture and paintings by Portuguese artists provide an extra flavour. The Oitavos has 142 guest rooms all of which have a private balcony with views of the ocean or the golf course. There are 16 suites which are all large and spacious, and have an area of at least 64 square metres. The Spa at The Oitavos is being developed as a full-service destination spa offering natural and organic treatment products and a holistic approach to wellness. Developed around the energy and drama that is the Atlantic coast, the uniquely contemporary spa experiences will energize the mind, revitalize the body, and soothe the soul.
