

2010 RYDER CUP

CELTIC MANOR, WALES | 28 SEPTEMBER - 4 OCTOBER 2010

The Ryder Cup returns to Europe in 2010 at the Celtic Manor Resort in Southern Wales. Working in association with Ryder Cup Travel Services, we are delighted to offer ticket packages plus local accommodation on board our privately chartered, 226 guest Le Diamant.

Enjoy the 2010 Ryder Cup from the Comfort and Convenience of Le Diamant

Your "floating hotel" will offer an ideal combination of comfort and convenience. Le Diamant will be berthed in a specially designated area of Newport Docks, only 7 miles from Celtic Manor, with regular shuttle service provided to the 38th Matches. The spacious, outside cabins range from 170 to 370 square feet. Ten have private balconies. Each has a double or twin beds, private bath with tub or shower, bathrobes, minibar, flat screen satellite tv, radio, DVD player and telephone.

Breakfast, lunch and dinner onboard are inclusive. There is always a choice of menu with carefully selected ingredients prepared by an experienced staff to the highest standards. House wines are served with lunch and dinner.

The Twenty Ten Course

Unique to these Matches will be the first course ever designed and built specifically for the Ryder Cup. The new course will be a par 71 measuring 7,493 yards. It features nine new holes developed along the floor of the Usk Valley, as well as nine holes from the former Wentwood Hills Championship Course that have been extensively

remodeled. The course features no fewer than six signature holes – the 3rd, 5th, 6th, 14th, 15th and 18th – each featuring a notable water hazard. Deliberate dilemmas are abundant promising high drama described by Ian Woosnam; "You are going to be standing there, thinking shall I or shan't I go for it?"
