C'est la vie in southern France with PerryGolf on board the 18-passenger luxury barge *Le Phénicien*. Le Phénicien is ideal for exclusive-use travel with family and friends. There are nine cabins with twin or king beds and ensuite baths. The salon offers ample lounge seating, bar, and elegant dining with panoramic views through large picture windows. Meals on *Le Phénicien* are specially prepared on board from select local ingredients. Breakfast and lunch is enjoyed by buffet, your gourmet dinner is served with a variety of local wines.

Daily sightseeing excursions in the land of Vincent van Gogh include a guided tour of Avignon, the vineyards of Châteauneuf-du-Pape; the gigantic Roman aqueduct "Le Pont du Gard", and the cities of Les-Baux-de-Provence, Arles and Aigues-Mortes. Your three rounds of golf are every bit the compliment to *Le Phénicien*.
