New GOLF BREAKS by PerryGolf

GOLF BREAKS by PerryGolf are a collection of 3 night / 2 round extensions that promise a memorable addition to any business or leisure booking by clients who play.

We are concentrating on the United Kingdom as we test the program. Detailed itineraries for each extension are available at www.perrygolf.com/agentservices.

Sales Plan A – Leisure Travel

The sales plan is one step simple: when you receive an inquiry for general leisure travel to Scotland, Ireland, England or Wales ask the client if they play golf. If they do, you have a prospect.

A significant portion of your higher-end clients will belong to a private golf or country club which promises a meaningful stream of opportunities. Moreover, the GOLF BREAKS we've provided feature some of the most famous courses in the world.

Sales Plan B – Business Travel

The same process works for Business Travelers. A golfing client spends a week on business in London, or Edinburgh, or Paris and buys a weekend extension to Scotland, or Ireland, or Wales before returning home.

Sales Plan C – Future Golf Travel

A valuable byproduct of the exercise will be the ability to identify your golf clients. You'll know where to sell future golf travel opportunities but also **they'll know to call you!**
