

PerryGolf is pleased to offer more destinations and travel experiences designed specifically for golf couples than any other international golf tour operator. Join us to experience South Africa's outstanding golf with a safari. Cruise the Rhône River through Provence, France on board the 12-14 guest Le Phénicien for six nights, three rounds and gourmet dining. New Zealand is fascinating for its natural beauty, boutique lodges and what is very possibly the most astounding golf course in the world at Cape Kidnappers. Our tours among the British Isles combine play on famous courses like St Andrews with historical and ancestral explorations.

We are particularly excited to introduce our new **Epicurean Golf Tours**. The collection includes seven destinations from Scotland and the Mediterranean to New Zealand and Australia where golf is enjoyed with wine tours, fine dining and culinary instruction.

For those who wish to combine their love of the game with their passion for travel, call your Travel Professional for further details and a travel proposal.
