Several of the fairways wind alongside the golden sandy bays and rocky outcrops of the shore. Please note a very limited supply of golf carts are available for hire. ### Monday, July 22

Today play the **Old Course at St Andrews via the Daily Ballot**. A limited number of starting times are available daily (except Sundays) for the ballot process. While play is not guaranteed it does represent a potential opportunity to play the Old Course if a tee time cannot be secured in advance of travel. This is the 'Home of Golf'. The Old Course has played host to the greatest golfers and produced many of golf's most dramatic moments. Wide double fairways, seven extensive double greens, and a multitude of intimidating bunkers are just some of the unique features you will encounter. Jack Nicklaus and Tiger Woods each hoisted the Claret Jug here on two occasions. In 1927, Bobby Jones claimed The 62nd Open six years after taking four strokes to escape the Hill Bunker at the 11th and tearing up his scorecard! No. 17, the 'Road Hole', is always an adventure as is negotiating the Valley of Sin at the short par-4 18th.

---

Our Resident Golf Manager in St.Andrews will make all the arrangements to enter the players names into the ballot. The results are known 48 hours prior to play and PerryGolf will reschedule booked golf arrangements should that be necessary.

Today play **Kingsbarns (tbc)**. Golf dates to a nine-hole layout here in 1793. It was commandeered by the military during the Second World War not to reappear until Kyle Phillips took an interest in the late 1990s. His design ushered in the era of "modern classics" when it opened in 2000 looking like it had been there for years. The terrain is links style perfection with tumbling fairways and sandy soil that produce the fine-bladed fescues which are the cornerstone of fast-and-firm playing surfaces that characterise links golf. The fairways are spacious, the greens are large, exceptional views of the North Sea are found on every hole.

Today play **Carnoustie (tbc)**. The first record of golf played on this links land dates to 1527. In 1842, a 10-hole course was designed by Alan Robertson followed by an 18-hole course by Old Tom Morris in 1857. James Braid extended the layout in 1926 which is essentially the links found today. While it is relatively flat, Carnoustie is exposed to the elements. A combination of length and accuracy are required as golfers face narrow corridors from the tee while approach shots demand precision to greens heavily guarded by steep bunkers and burns. Arguably the toughest finishing holes in championship golf are found here highlighted by the par-4, 476 yard 14th and the 245 yard par-3 16th. Ben Hogan won The 82nd Open at Carnoustie in 1953. Tom Watson and Gary Player also hoisted the Claret Jug here as has Padraig Harrington and mostly recently Francesco Molinari in 2018.

Play the **King's Course (tbc)** of Gleneagles Hotel. The King's course was the inspiration of James Braid, five time winner of the Open championship. It opened in 1919, representing the finest 'classical' golf course design. It is certainly one of the most beautiful and exhilarating places to play golf in the world. With the sweeping views from the tees all around, the rock-faced mountains to the north and the green hills to the south, and the peaks of the Trossachs and Ben Vorlich on the western horizon.
