Golf today on **Royal Liverpool (tbc)**. Despite its somewhat flat and benign appearance, Royal Liverpool is among the toughest and most demanding of the great seaside championship links of Britain. Hoylake, as it is more commonly known, lies at the very heart of the history and development of golf in Britain. Built in 1869, on what was then the racecourse of the Liverpool Hunt Club, Hoylake is one of the oldest English seaside courses and regular host venue for The Open.

## Monday, June 6

Play **Royal Lytham & St Annes (tbc)**, arguably the toughest of England's championship links courses. Unusual for a British links it does not sit beside the sea. It's main defence is the vast numbers of deep bunkers guarding both the fairways as well as the greens. It enjoys a very special atmosphere. It was here in 1926 that Bobby Jones won the British Open Championship, his legendary shot to the 17th green is commemorated by a plaque. Please note strict handicap limits are set by the club. Men 21 & Ladies 29.
