Today play **Castle Stuart (tbc)**. Opened for play in July 2009 and is an outstanding addition to the links courses of Scotland. Set along the shores of the Moray Firth to east of Inverness with wonderful views over to the Black Isle. Six holes hug the shoreline while the remaining holes are played over a terraced slope so views out to sea are ever present. A true links course in every sense.

Saturday, June 3

Golf today on **Royal Dornoch (tbc)**. You have the opportunity to play the most northerly of the Championship courses of the British Isles. Dornoch is perhaps more than most, a thinking golfer's course where it is not enough simply to keep the ball on the fairway. The greens are generally open in the front, but they are also set on plateaux several feet above the fairway, a feature that Donald Ross took from his home course and used on many of his classic designs.

A very limited supply of golf carts are available for hire. Certain restrictions may apply, please advise your Golf Travel Specialist. Please note strict handicap limits are set and enforced by the club. Men 24 & Ladies 35.

Play today at **Nairn (tbc)**, a renowned links course and venue of many major tournaments, including the 1993 British Amateur Championship and the 1999 Walker Cup Matches. This traditional links layout makes its way along the shore of the Moray Firth, then returns to the clubhouse through whin and gorse bushes.

Today play **Kingsbarns (tbc)**. Golf dates to a nine-hole layout here in 1793. It was commandeered by the military during the Second World War not to reappear until Kyle Phillips took an interest in the late 1990s. His design ushered in the era of "modern classics" when it opened in 2000 looking like it had been there for years. The terrain is links style perfection with tumbling fairways and sandy soil that produce the fine-bladed fescues which are the cornerstone of fast-and-firm playing surfaces that characterise links golf. The fairways are spacious, the greens are large, exceptional views of the North Sea are found on every hole.

Today challenge the **Old Course of St. Andrews (tbc)**, the "Home of Golf". The Old Course has played host to the greatest golfers in the world and produced many of golf's dramatic moments. Wide double fairways, seven extensive double greens, and a multitude of intimidating bunkers are just some of the unique features you will encounter.

Wednesday, June 7

Play today on the **New Course of St. Andrews (tbc)**. Rated by many as the toughest of the St. Andrews Courses, the New Course was laid out by Old Tom Morris and opened in 1895. A great emphasis is placed on hitting the fairways as several holes have been carved through blankets of gorse bushes.
