

2019/2020 Tours & Cruises

Play The **Game**. See The **World**.SM 2019 / 2020

Your choices for international golf travel continue to grow. We are delighted to count five new **Golf Cruises** – **Ireland, South Africa, South America, Charleston & Bermuda** and the **Mediterranean** – among the twenty we have scheduled for 2019 and 2020. Our 2019 schedule of **Escorted Tours** includes two each for **Argentina** and **South Africa** along with **Scotland** and **Southeast Asia**. Combined with the **Custom Tours** we offer to eleven of the world's most memorable destinations, we have luxury golf vacations for every interest available around the world and throughout the year.

Our **Golf Cruises** are operated in association with **Azamara Club Cruises** and **SeaDream Yacht Club**.

The years we have with both have polished the programs to perfection. Service standards are unsurpassed and the choices are extensive. In January and February, we'll visit **New Zealand/Sydney, South Africa** and the **Caribbean**. Our spring time voyages include **Southeast Asia/Hong Kong** plus a rare sailing of the **East Coast and Bermuda** highlighted by an optional day trip to Augusta for Sunday's conclusion of the **2019 Masters**. In the summer, we'll visit the **Baltic Sea**, the **British Isles** highlighted by attendance to **The Open** on Sunday, and the **Mediterranean** from end to end. Our **Arabian Gulf** cruise on board the 690-guest *Azamara Quest* sails in November as does our new **South America** voyage.

The **Escorted Tours** we create on an annual basis are fixed itineraries ranging from 9 – 14 nights with 6 – 8 rounds for parties of 24 – 30. Every aspect is fully

managed; you'll relax in a luxury motor coach, your luggage and golf equipment is handled throughout, various meals and sightseeing guides/admissions are included. These vacations are an excellent occasion for making like-minded new friends.

The **Custom Tours** we arrange to eleven of the world's leading destinations continue to define our business especially in **Scotland** and **Ireland**. After more than three decades we are uniquely qualified to deliver completely

personalized schedules for parties of 2 to 102 including international air. Better still, our longstanding ability to arrange guaranteed play on the **Old Course, St Andrews** has continued

to grow as an inaugural member of the St Andrews Links Trust's "Authorised Provider" program. We are also an inaugural member of the R&A's new "Authorised Provider" program for attendance packages to **The Open**.
