
The Best of **Italy** Escorted 2020 Rome, Florence and Lake Como

12 Nights | 5 rounds | August 30 – September 11

Tour **Pricing** Per Guest

Golfer: \$9,995 | Non Golfer: \$9,995 | Single Supplement: \$3,595

Italy stands alone in our portfolio for the greatest range of course styles and the most fascinating collection of cultural marvels. This 12 night / 5 round fully Escorted Tour from August 30 – September 11, 2020 includes mountain, parkland and links style layouts found in three of Italy's most famous destinations: **Lake Como, Florence and Rome**

Our four nights in Lake Como include speechless panoramas plus a guided tour of **Bellagio** along with one of the lake's most beautiful villas, **Villa Balbianello**. On our way to **Florence** we'll tour **Milan**, home to Leonardo's *Last Supper* which he completed after five years in 1497. Four nights in the capital of Tuscany and the birthplace of the Renaissance will never be forgotten for treasures like the **Cathedral** and **Michelangelo's 'David'** and **Botticelli's 'The Birth of Venus'**. The schedule for the surrounding area is impressive too with visits to **Siena, Pisa** and **San Gimignano**. Finally, from the heart of **Rome** for four nights at the 5-star **Hotel Bernini Bristol**, you'll find one of the most profound records of human history in all its artistic and architectural glory at **St. Peter's Basilica**, the Sistine Chapel, the Colosseum, Trevi Fountain, the Spanish Steps and the Pantheon. We will also take a day to tour the Amalfi Coast including Positano and Amalfi along with the remarkably well preserved ruins of Pompeii.

Our golf includes more iconic names, Arnold Palmer's Le Pavoniere Golf Club found on the former estate of Leopoldo de Medici and Marco Simone in Rome seat of the Ryder Cup in 2022. Ugolino Golf Club in Florence is perhaps our favorite. Like everything in Italy, it's historic as the country's first course and for hosting the 40th Italian Open won by Bernard Langer in a play-off with Severiano Ballesteros and Sandy Lyle. Mostly however it is beautiful for the way it follows the natural contours of the Chianti slopes through indigenous olive trees, maritime pines and broom with castles, farmhouses and vineyards visible in all directions.

This fully Escorted PerryGolf tour is inclusive of meals as listed, five rounds of golf with cart, all privately guided sightseeing, a cooking class, wine tasting, airport transfers and train fares. See Tour Inclusions for details.

Today we visit amazing Pompeii which begins after breakfast with a 70 minute train ride to Naples. Our guide for the day will meet us at the train station where we'll transfer to a private coach for the 30 minute ride to the excavations. It's believed the town which is a UNESCO World Heritage Site today was founded in the 7th or 6th and became a Roman colony in 80 BC. By the time of its destruction, 160 years later, its population was approximately 11,000 people, and the city had a complex water system, an amphitheatre, gymnasium and a port. The Vesuvius eruption destroyed the city, killing its inhabitants and burying it under tons of ash more than 80 feet deep. The site was lost for about 1,500 years until its initial rediscovery in 1599. Due to the lack of air and moisture, the city and its artefacts are remarkably well preserved providing extraordinarily detailed insight into the life of a city.

After lunch continue south to the Amalfi Coast stopping in Positano and Amalfi, both located on a beautiful stretch of coastline where vertiginous houses tumble down to the sea in a cascade of sun-bleached peach, pink and terracotta. No less photo-worthy are its steep streets and steps, flanked by wisteria-draped hotels, smart restaurants and fashionable retailers.

Return to Naples late afternoon to return to Rome by train.

Dinner this evening is on your own.

THURSDAY, SEPTEMBER 10: ROME, ITALY

This morning we visit the Vatican City, whose 109 acres makes it the smallest sovereign state in the world. It was created by a treaty with the Italian government in 1929 and is home to the world's largest church, St. Peter's Basilica, St. Peter's Square (designed by Gian Lorenzo Bernini – the namesake of our hotel), the Sistine Chapel and the Vatican Museums.

Much of our attention will be dedicated to the Sistine Chapel. The original structure was restored between 1477 and 1480 followed by work over the next 61 years to produce the masterpiece we see today. It is famous now as the site of the Papal conclave, the process by which a new pope is selected, and for the frescos that decorate the interior. The most renowned are those found on the ceiling and above the altar by Michelangelo.

Lunch is on your own and the afternoon is at your leisure.

This evening our Farewell Dinner will be served in the hotel's roof top restaurant where panoramic views of Rome are among the best in the city.

Golf Schedule

Villa d' Este

The course lies beyond the wonderful lake of Montorfano in a splendid setting in the sunny Brianza. The course is at an altitude of 1200 ft in what may be described as a Scottish landscape. The course was designed in 1926 by Peter Gannon, tweaked by Graham Cooke later on and the 18 holes wind their way between chestnut groves, birch and pine woods. It is considered one of the most varied and difficult par 69 courses anywhere.

Monticello - Red

Modified and improved by American architect Jim Fazio, this course has hosted the Italian Open tournament on several occasions. The natural setting is wonderful with wide and flat fairways surrounded by the mountains, two artificial lakes and 200,000 trees that complete this really unique golf course. The 16th is one of the more beautiful par 4s in the nation, a tricky dogleg left par-4 that is defended by water hazard on the left side and smart bunkering to protect a well-contoured green.

Firenze Ugolino Golf Club

The course lies in the Chianti Hills to the south of Florence. It exploits the natural characteristics of the Tuscan landscape, the cypress trees and olive trees, the slopes that curve and follow the magnificent scenery and the small greens that are well protected. The course features tight, sloped fairways and small, undulating greens that can easily lead to three-putting if the approach is errant. Although not long it will provide a stiff test for all.

Le Pavoniere Golf Club

Located in the heart of Tuscany, the Arnold Palmer designed course features hazards that are cleverly brought into play. The fairways are slightly rolling, and the course is surrounded by holm-oak woods, cluster pines and cypresses. The land has been given some gentle relief but water and trees shape the majority of holes. The 6th hole is a spectacular par-4 featuring an island green that presents a treacherous approach shot. The 4th has an island green as well.

Marco Simone Golf Club

Established in 1989 by the fashion designer Laura Biagiotti, Marco Simone Golf Club was created to be suitable not only for relaxed play but also for international championships. In that regard, it was awarded the 2022 Ryder Cup matches. The fairways and greens fit seamlessly with the natural framework of the countryside. Hole 17 is a fearsome par-3, measuring 195 yards and a large depression means trouble for any wayward shots to the right. The dome of St. Peter is in view from here.
