This golf and wine vacation features the Basque Country located in the western Pyrenees, straddling the border between France and Spain along 100 miles of the Bay of Biscay. The inhabitants here are the oldest surviving ethnic group in Europe. Their traditions for excellent wine and pintxos, or tapas, will produce lasting memories of your visit along with a rich list of experiences. We will tour the magnificent **Guggenheim Museum** in **Bilbao**. Equally interesting for this tour is our lodging. The **Hotel Marqués de Riscal** is Frank Gehry's vision of a 43 room hotel as a contemporary 21st century château, plus the **Maria Cristina Hotel** in **San Sebastián**, the address of choice for the international film industry when their annual festival comes to town in September. We'll tour two leading wineries for guided tastings at the spectacular **Txomin Etxaniz winery** and **Eguren Ugarte**, which is one of the major producers of Rioja red wines. Better still, we have four exceptional clubs scheduled for our golf. While Spain's Costa del Sol gets more attention, the game took shape here more than 50 years earlier. **Neguri Golf Club** was founded in 1911. **Pedreña Golf Club** is a Harry S. Colt design that Seve Ballesteros called home. Jon Rahm's club at **Larrabea** plays through a heavily wooded site among streams, lakes and meadow. **Biarritz Golf Club - Le Phare** is located in France just north of Biarritz and dates back to 1888. It was the original home of the Biarritz green design which was later used at a number of courses in the USA.

If you enjoy combining your love of golf with a passion for travel, you'll find a relaxing and highly rewarding experience on this Escorted Tour for a party of 24 - 30. Every aspect is fully managed from the handling of your luggage and equipment to hotel and golf course check ins. Various meals, guided sightseeing, carts / caddies, local taxes, service charges and gratuities (excluding caddies) are included in addition to sandwiches, snacks plus an open bar for beer and wine during our time at each of the golf courses. Best of all, this PerryGolf vacation promises an ideal opportunity to join a group of like-minded new friends.

Accommodations

GRAN HOTEL DOMINE: BILBAO, SPAIN

The Gran Hotel Domine is the only 5-Star hotel located next to the Guggenheim Museum. Having been completely renovated in 2019, luxury can now be found in its spacious ambience, its extraordinary service, the passion for art and design, as well as an elegant and cosmopolitan style.

HOTEL MARQUÉS DE RISCAL: ELCIEGO, SPAIN

Frank Gehry has out done himself yet again with the **Hotel Marqués de**

Riscal. His vision was to create a contemporary 21st century château -- with 43 rooms and suites, a spa and two restaurants – to accentuate one of the oldest wineries in the Rioja region, Vinos de los Herederos de Marqués de Riscal. It is very literally a luxurious work of accommodation art.

MARIA CRISTINA HOTEL: SAN SEBASTIAN, SPAIN

Late in the 19th century San Sebastián turned from sleepy fishing village to playground for European royalty. This coincided with the height of the Belle Époque era, or Beautiful Age, which led architect Charles Mewes (the man responsible for the Ritz in Madrid and Paris) to design and build the **Hotel Maria Cristina** in this style. It opened in 1912 and remains to this day firmly in command of its grand dame status in the Basque Country.
