Golf Schedule

Gleneagles - King's Course

The King's Course at Gleneagles was the inspiration of James Braid, five-time winner of The Open. It opened in 1919, representing the finest 'classical' golf course design. In 1921 the course hosted the inaugural, albeit informal Ryder Cup between Great Britain and the United States. It is certainly one of the most beautiful places in the world to play golf with. sweeping views of the rock-faced mountains to the north and the green hills to the south, plus the peaks of the Trossachs and Ben Vorlich on the western horizon. The King's Course has hosted an impressive list of important events ranging from the 100th Scottish PGA Championship to the Curtis Cup and Scottish Open.

Gleneagles - PGA Centenary Course

This highly acclaimed Jack Nicklaus design is a fine test of championship golf. It is a modern layout featuring many strategic bunkers and vast putting surfaces with severe undulations from front-to-back and side-to-side. The key here is to avoid coming up short. The course can stretch to nearly 7,300 yards from the tips and affords wonderful views of the Grampian Mountains and the Perthshire countryside. PGA Centenary was the host site for the 2014 Ryder Cup, as it returned to Scotland for the first time in 41 years. It hosted the Solheim Cup in 2019.

Royal Dornoch

An hour north of Inverness, along a crescent shaped stretch of the Dornoch Firth is a narrow strip of softly contoured dune land rising on two distinctive levels, providing just enough room for fairways framed by heather and gorse. It is here where Royal Dornoch was founded in 1877. Old Tom Morris extended the layout to 18 holes in 1886 which has been modified over the years to produce a layout consistently ranked today among the world's top 20. MacKenzie & Ebert improved four holes and built a new 7th. The club was Donald Ross' famous inspiration for raised, domed greens.

Castle Stuart

Once Kingsbarns opened, developer Mark Parsinen began his search for an encore. He found it in the Highlands overlooking the Moray Firth less than ten miles from Inverness where he and Gil Hanse fashioned another modern links classic. The first three holes on each nine run away from the clubhouse and along the water. The remaining six on each side play on top of the escarpment offering spectacular views on your way back to the exceptional clubhouse. Castle Stuart is a true links course in every sense with revetted natural bunkers, waste bunkers, rumpled fairways and run-up greens. This three-time host to the Scottish Open complements any visit to the Highlands.
