
St Andrews Escorted 2023 Attend **The 2023 Walker Cup at St Andrews**

7 Nights | 4 Rounds including The Old Course | August 31 – September 7

PerryGolf is thrilled to offer a 7-night, 4-round Escorted Tour to the Home of Golf, including a weekend Pass to **The 2023 Walker Cup**. Experience the excitement of this unique and revered event between the finest amateurs of the United States, and Great Britain & Ireland, while spending the entire week in St Andrews, with accommodations in the beautifully renovated Rusacks Hotel, overlooking the 18th fairway of the Old Course, the most storied location in golf.

Our golf lineup includes rounds on **Carnoustie**, eight-time host of The Open, the highly rated **Kingsbarns** and **Dumbarnie Links**, and to top it all, play on the **Old Course St Andrews** shortly following the Walker Cup.

The Walker Cup is something of a hidden gem in the field of international sporting events. Since the first match took place in 1922, played over the renowned National Golf Links of America on Long Island, and starring the great Bobby Jones, the match has been hosted at the most revered of venues, and consistently featured future stars of the game from Jack Nicklaus, Tiger Woods, Phil Mickelson, Collin Morikawa and Bryson DeChambeau, to Padraig Harrington, Justin Rose, Jordan Spieth, Dustin Johnson, and Rory McIlroy, and many others in between. Having been played over the Old Course on eight occasions already, it returns to this most special of arenas after an almost 50-year absence, in recognition of the centenary of the match. Although there will be exceptional interest, it traditionally provides a relatively intimate spectating experience, well removed from high level professional golf. The USA will be defending the trophy, having won in a closely contested match at Seminole in 2021, but GB&I will be hoping for the form which saw them beat the USA in 2015 at Royal Lytham & St Annes by their largest winning margin to date.

Rusacks Hotel, our base for the event, has undergone an extensive renovation including the creation of additional rooms. There can surely be no more prime hotel location in the world of golf, as you gaze over the hallowed links, with the 18th fairway and green located directly below you. We will host a welcome and closing party in the rooftop restaurant, and also include lunch in the hotel on both match days.

Our included golf is diverse and storied. **Carnoustie** has earned its reputation as the most demanding links in The Open rota. Francesco Molinari used flawless golf to outlast Tiger Woods and other contenders in 2018. Ben Hogan, Gary Player and Tom Watson won the championship here as well. Jean Van de Velde famously squandered his chance in 1999 on the 72nd hole. **Kingsbarns** is a modern day classic, and is held in the highest regard in the golfing world. **Dumbarnie Links**, having opened in spring 2020, is Scotland's newest links layout, and has already enjoyed extraordinary reviews. The **Old Course of St Andrews** is beyond compare and a highlight of any visit.

For our accompanying non-golfing guests, our carefully crafted sightseeing program, fully escorted by a qualified guide, will let them experience Scotland away from the golf course. We include a day trip to Edinburgh, beautiful capital city of Scotland, a visit to Glamis Castle, childhood home of Queen Elizabeth, The Queen Mother, and a fascinating walking tour of the historic town of St Andrews.

If you enjoy combining your love of golf with a passion for travel, you'll find a relaxing and highly rewarding

experience on this Escorted Tour. Every aspect is fully managed from the handling of your luggage and equipment to hotel and golf course check ins. Various meals, guided sightseeing, caddies, local taxes, service charges and gratuities (excluding caddie gratuities) are included in addition to sandwiches, snacks plus an open bar for beer and wine during our time at each of the golf courses. Best of all, this PerryGolf vacation promises an ideal opportunity to join a group of like-minded new friends.

Dumbarrie Links

Dumbarrie Links is one of Scotland's newest links courses opened in 2020. Located 9 miles south of St Andrews, the layout plays over 345 acres, part of the 5,000-acre Balcarres Estate held by Lord Anthony Balniel and his family since the 16th century. Designed by Clive Clark, a member of the 1973 Great Britain and Ireland Ryder Cup team, the site is highlighted by a mile and a half of sea frontage featuring panoramic views over the Firth of Forth. Its dual elevations, which are connected by a flowing escarpment, provide a number of elevated tees where holes play directly towards the sea. The design incorporates three potentially drivable par-4s along with several holes that present tempting risk/reward opportunities. This course is designed to inspire rather than intimidate golfers. Total yardage varies from 5,300 to 6,900 yards.

Carnoustie

The first record of golf played on this links land dates to 1527. In 1842, a 10-hole course was designed by Alan Robertson followed by an 18-hole course by Old Tom Morris in 1857. James Braid extended the layout in 1926 which is essentially the links found today. While it is relatively flat, Carnoustie is exposed to the elements. A combination of length and accuracy are required as golfers face narrow corridors from the tee while approach shots demand precision to greens heavily guarded by steep bunkers and burns. Arguably the toughest finishing holes in championship golf are found here highlighted by the par-4, 476 yard 14th and the 245 yard par-3 16th. Ben Hogan won The 82nd Open at Carnoustie in 1953. Tom Watson and Gary Player also hoisted the Claret Jug here as has Pádraig Harrington and most recently Francesco Molinari in 2018.

Kingsbarns

Golf dates to a nine-hole layout here in 1793. It was commandeered by the military during the Second World War not to reappear until Kyle Phillips took an interest in the late 1990s. His design ushered in the era of “modern classics” when it opened in 2000 looking like it had been there for years. The terrain is links style perfection with tumbling fairways and sandy soil that produce the fine-bladed fescues which are the cornerstone of fast-and-firm playing surfaces that characterise links golf. The fairways are spacious, the greens are large, exceptional views of the North Sea are found on every hole.

St Andrews - Old Course

This is the “Home of Golf”. The Old Course has played host to the greatest golfers and produced many of golf’s most dramatic moments. Wide double fairways, seven extensive double greens, and a multitude of intimidating bunkers are just some of the unique features you will encounter. Jack Nicklaus and Tiger Woods each hoisted the Claret Jug here on two occasions. In 1927, Bobby Jones claimed The 62nd Open six years after taking four strokes to escape the Hill Bunker at the 11th and tearing up his scorecard! No. 17, the “Road Hole”, is always an adventure as is negotiating the Valley of Sin at the short par-4 18th.
