
St Andrews Escorted 2023 **Attend The 2023 Walker Cup at St Andrews**

7 Nights | 4 Rounds including Royal Dornoch | August 31 – September 7

This Tour is Hosted by PerryGolf Co-Founder **Gordon Dalgleish.*

PerryGolf is thrilled to offer a 7-night, 4-round Escorted Tour to the Home of Golf, including a weekend Pass to **The 2023 Walker Cup**. Experience the excitement of this unique and revered event between the finest amateurs of the United States, and Great Britain & Ireland, while spending a long weekend in St Andrews, with accommodations in the beautifully renovated Rusacks Hotel, overlooking the 18th fairway of the Old Course, the most storied location in golf. Following the Walker Cup we journey to the magical Highlands of Scotland for some outstanding golf, including the fabled Royal Dornoch.

Our golf lineup includes the highly rated **Kingsbarns** on the outskirts of **St Andrews**, plus **Nairn**, **Castle Stuart**, and **Royal Dornoch** in the Scottish Highlands.

The Walker Cup is something of a hidden gem in the field of international sporting events. Since the first match took place in 1922, played over the renowned National Golf Links of America on Long Island, and starring the great Bobby Jones, the match has been hosted at the most revered of venues, and consistently featured future stars of the game from Jack Nicklaus, Tiger Woods, Phil Mickelson, Collin Morikawa and Bryson DeChambeau, to Pádraig Harrington, Justin Rose, Jordan Spieth, Dustin Johnson, and Rory McIlroy, and many others in between. Having been played over the Old Course on eight occasions already, it returns to this most special of arenas after an almost 50-year absence, in recognition of the centenary of the match. Although there will be exceptional interest, it traditionally provides a relatively intimate spectating experience, well removed from high level professional golf. The USA will be defending the trophy, having won in a closely contested match at Seminole in 2021, but GB&I will be hoping for the form which saw them beat the USA in 2015 at Royal Lytham & St Annes by their largest winning margin to date.

Rusacks Hotel, our base for the event, has undergone an extensive renovation including the creation of additional rooms. There can surely be no more prime hotel location in the world of golf, as you gaze over the hallowed links, with the 18th fairway and green located directly below you. We will host a welcome and closing party in the rooftop restaurant, and also include lunch in the hotel on both match days.

Our included golf is diverse and storied. **Kingsbarns** is a modern day classic, and is held in the highest regard in the golfing world. **Nairn** is a renowned links course and venue of many major tournaments including the 1999 Walker Cup Matches and the 2012 Curtis Cup. **Castle Stuart**, a Gil Hanse and Mark Parsinen design, opened in 2009 along the Moray Firth, which quickly entered the top 100 in the world rankings, and has played host to multiple Scottish Opens already. **Royal Dornoch** is an imperative for any Donald Ross aficionado, to face the demanding inverted saucer greens created by Old Tom Morris.

For our accompanying non-golfing guests, our carefully crafted sightseeing program, fully escorted by a qualified guide, will let them experience Scotland away from the golf course. We include a fascinating walking tour of the historic town of St Andrews, plus a visit to Culloden Moor, along with Dunrobin Castle and the Falls of Shin.

If you enjoy combining your love of golf with a passion for travel, you'll find a relaxing and highly rewarding experience on this Escorted Tour. Every aspect is fully managed from the handling of your luggage and equipment to hotel and golf course check ins. Various meals, guided sightseeing, caddies, local taxes, service charges and gratuities (excluding caddie gratuities) are included in addition to sandwiches, snacks plus an open bar for beer and wine during our time at each of the golf courses. Best of all, this PerryGolf vacation promises an ideal opportunity to join a group of like-minded new friends.

Nairn is a traditional links played hard against Moray Firth which threatens on six of the first seven holes.

Golf Schedule

Kingsbarns

Golf dates to a nine-hole layout here in 1793. It was commandeered by the military during the Second World War not to reappear until Kyle Phillips took an interest in the late 1990s. His design ushered in the era of "modern classics" when it opened in 2000 looking like it had been there for years. The terrain is links style perfection with tumbling fairways and sandy soil that produce the fine-bladed fescues which are the cornerstone of fast-and-firm playing surfaces that characterise links golf. The fairways are spacious, the greens are large, exceptional views of the North Sea are found on every hole.

Castle Stuart

Once Kingsbarns opened, developer Mark Parsinen began his search for an encore. He found it in the Highlands overlooking the Moray Firth less than ten miles from Inverness where he and Gil Hanse fashioned another modern links classic. The first three holes on each nine run away from the clubhouse and along the water. The remaining six on each side play on top of the escarpment offering spectacular views on your way back to the exceptional clubhouse. Castle Stuart is a true links course in every sense with vetted natural bunkers, waste bunkers, rumpled fairways and run-up greens. This three-time host to the Scottish Open complements any visit to the Highlands.

Royal Dornoch

An hour north of Inverness, along a crescent shaped stretch of the Dornoch Firth is a narrow strip of softly contoured dune land rising on two distinctive levels, providing just enough room for fairways framed by heather and gorse. It is here where Royal Dornoch was founded in 1877. Old Tom Morris extended the layout to 18 holes in 1886 which has been modified over the years to produce a layout consistently ranked today among the world's top 20. MacKenzie & Ebert improved four holes and built a new 7th. The club was Donald Ross' famous inspiration for raised, domed greens.

Nairn

Nairn was among the first of the Highlands courses to make an international name for itself when it hosted the Walker Cup in 1999. It has gone on to host the British Amateur and the Curtis Cup. Founded in 1887 on an elevated piece of linksland overlooking the Moray Firth, an all-star collection of architects have had a hand in the layout including Old Tom Morris and James Braid. Most recently, the club commissioned MacKenzie & Ebert for a major modernization including numerous new greens, bunkers and tees. The result capitalizes on what are some of the very best turf conditions in Scotland - a Nairn trademark.
