Detailed Itinerary

AUGUST 18, SATURDAY: CIVITAVECCHIA (ROME) ITALY (EMBARK 2:00pm / SAIL :00PM)

Embark *SeaDream II* from 2:00PM. All aboard 4:00PM.

The port of **Civitavecchia** is the gateway to **Rome**, whose incredible history spans over 2,500 years. Rome's historic center is listed by UNESCO as a World Heritage Site. St. Peter's Basilica, the Sistine Chapel, Trevi Fountain, the Vatican Museums, the Borghese Gallery and the Coliseum are only a few sight found in the Eternal City that are among the most visited in the world.

Overnight - At Sea

AUGUST 19, SUNDAY: PORTO CERVO, SARDINIA (8:00AM / +1:00AM)

The beautiful **Porto Cervo** nestles in the northeast corner of the island of Sardinia in an area known as **Costa Smeralda** (Emerald coast). The village is the main center of Costa Smeralda. It was created by Prince Karim Aga Khan and various other investors with the village housing some excellent boutiques, bars and restaurants.

Enjoy it on your own or by a **SeaDream Land Adventure®**.

GOLF: Today play the **Pevero Golf Club**, Sardinia's first golf course opened in 1972 and designed by Robert Trent Jones. It's found along the edge of a rugged, jagged coastline in chic Costa Smeralda sandwiched spectacularly between the Gulf of Pevero and the sparkling bay of Cala di Volpe. The outward half plays counter-clockwise; the inward clockwise. While the coastline is never in play, Jones has added several ponds to make water an ever-present danger plus he has wisely afforded generous landing areas so that the course is enjoyable even when confronted by the area's famed north wind – the Mistral.

We will spend this evening in port until 1:00AM for your additional enjoyment of Porto Cervo.

Overnight - At Sea

AUGUST 20, MONDAY: BONIFACIO, CORSICA (8:00AM / 10:00PM)

The ancient fortress town of **Bonifacio** is Corsica's star attraction, drawing visitors to marvel at its medieval houses precariously teetering on the edge of the imposing limestone cliffs. Bonifacio's Old Town, with a labyrinth of narrow streets and historic buildings, was built by the Genoese and is a fascinating place to wander around. Founded in 828 AD by Count Bonifacio of Tuscany, its natural harbor bears a striking resemblance to the home of the Laestrygonians referred to in Homer's Odyssey of the 7th century BC. Bonifacio also boasts a busy marina filled with impressive yachts and lined with chic bars, restaurants and hotels, enhancing the vibrancy of this fashionable coastal resort.

GOLF: **Sperone Golf Club** Today you will play where Napoléon Bonaparte was born, in Corsica on a Cabell B. Robinson (for Robert Trent Jones) design opened in 1990 that many have called Europe's Pebble Beach or Cypress Point. In several very memorable spots, Sperone Golf Club is that good. The solid front nine winds through rugged Corsican undergrowth to a number of small raised greens. It's a short course so you'll manage but the back nine packs a punch. Eleven plays down toward the ocean and a slender ledge green sandwiched between large boulders. Twelve is a testy 3 par across a rocky canyon to an elevated cliff-top green. Planet Golf says both the 15th and 16th would be all-world holes with a little tree clearing. We suspect you'll be impressed nonetheless.

Overnight - At Sea

AUGUST 21, TUESDAY: CALVI, CORSICA (8:00AM / 6:00PM)

Calvi, a commune in the Haute-Corse region of France, is located on the northwest of Corsica. Locals maintain that Calvi is the birthplace of Christopher Columbus...validated by the fact his house can still be visited – or at least its ruins can! Legend upholds that Nelson raised it to the ground at the time of the French garrison bombardment in 1794. Nowadays, Calvi attracts wealthy yacht-owners who sail from Nice and Cannes to enjoy

an awe-inspiring view of the citadel. Located in Balangne are unblemished mountain villages which offer splendid olive oil, wine and cheese.

AUGUST 22, WEDNESDAY: MONTE CARLO, MONACO (8:00AM / 11:59PM)

Monte Carlo epitomizes the French Riviera, it is famous for being famous. This is where you'll find the Casino de Monte Carlo which was center stage for 007's first visit to Monaco in *Never Say Never Again* and a sight to behold from the outside as well as in. It is home since 1929 to the Monaco Grand Prix, considered to be one of the most demanding Formula One circuits of the season due to its insanely narrow streets with tight corners and elevation changes. There is also Monaco Cathedral, the Napoleon Museum, the Oceanographic Museum and the Prince's Palace where Prince Rainier III and his wife Grace Kelly began their restoration of Monaco with his accession to the throne in 1949. One of the best views you'll find is from Vista Palace Hotel and be sure to have a drink in Le Bar Américain at Hotel de Paris. You can't find a bar with better service and the Hotel is truly one of the best in the world. If you want to spend money on dinner, the restaurant Le Louis XV has 3 stars in the Michelin guide and a wine cellar with 400,000 bottles. Appropriately enough all the hands on the clocks are stopped on 12 as a reminder that inside this Palace of Pleasure, time is of no consequence.

Enjoy it on your own or by a **SeaDream Land Adventure®**.

GOLF: Today play **The Monte-Carlo Golf Club** designed by Willie Park, Jr. opened in 1911. It offers an 18-hole golf course in an idyllic setting between the sea and the mountains! The golf course, located in La Turbie (in the heights of Nice), has a rolling terrain that requires extreme precision. Discover an elegant club in a warm and friendly ambience!

We will spend this evening in port until 11:59PM for your additional enjoyment of Monte Carlo.

Overnight - At Sea

AUGUST 23, THURSDAY: ST TROPEZ, FRANCE (8:00AM / 11:59PM)

Brigitte Bardot is credited with putting **St Tropez** on the map with her 1956 film *And God Created Woman*. Mick Jagger added swagger in 1971 when he married at Chapelle Ste-Anne, a small Provençal-style chapel built in 1618 on a hilltop overlooking the Place des Lices. This is where the champagne craving world comes play. Where you can always find the most astounding yachts, the most astounding yacht parties, provocative beaches and the most outrageous night clubs like Les Caves du Roy. There is yet a serene side to this fishing village which you'll be able to appreciate in advance of the summer apex meaning a meander along the cobbled lanes in the old fishing quarter of La Ponche. Sipping pastis or a rare rosé at a Place des Lices café. Walking along the coastal path. Be sure to sample the town's namesake cake, La Tarte Tropezienne. The keepsake to bring home is a pair of **Rondini Sandals**. They can be purchased on line but why would you want to miss the opportunity of running in to almost anybody in their store.

Enjoy it on your own or by a **SeaDream Land Adventure®**.

We will spend this evening in port until 11:59PM for your additional enjoyment of St. Tropez.

Overnight - At Sea

AUGUST 24, FRIDAY: CANNES, FRANCE (8:00AM / 10:00PM)

Cannes is a former fishing village in southern France turned international hotspot for the jet set particularly each year in May. Pack your Dolce & Gabbana's, the Cannes Film Festival shines a dazzling light on this town unlike any you've ever seen. There will be no shortage of actors, celebrities and directors on the famous steps of the Palais des Festivals but don't short-change this visit. Make your way to Le Suquet, the old quarter of Cannes famous for its winding cobbled streets lined with local restaurants. A selfie from the clock tower looking over the Bay of Cannes and the city will look smashing on your Facebook page. Options just out of town include **Grasse** where you can create your own perfume and historic St. Paul de Vence, one of the oldest medieval towns on the French Riviera known for its modern and contemporary art museums and galleries.

Enjoy it on your own or by a **SeaDream Land Adventure®**.

GOLF: Only 20 minutes from Cannes is the five star **Terre Blanche** Hotel Spa Golf Resort where you will play the more challenging of their two courses, **Le Château**. Billionaire German businessman Dietmar Hopp, one of the SAP AG founders, gave former Ryder Cup golfer turned architect Dave Thomas a spectacular 300 hectare site and a healthy budget to do something special and he has. Le Château winds through pine and oak clad hills and valleys providing sweeping panoramas of neighboring Provence villages and the Southern Alps. It is immaculately maintained and most recently rated as the 14th best club in continental Europe.
