## 2020 Iberian Peninsula Golf Cruise

8 Nights | 5 Rounds | Lisbon - Barcelona | September 11 - 19

PerryGolf proudly partners with **Azamara Club Cruises** for an exceptional 8 night, 5 round voyage onboard the outstanding 690-guest *Azamara Pursuit* around the Iberian Peninsula. We begin in **Lisbon** with five captivating ports of call ahead including **Barcelona** for an overnight plus **Gibraltar, Valencia, Malaga** and **Cadiz**. The golf is outstanding, taking us to 1997 Ryder Cup venue **Valderrama**, the beautiful **Finca Cortesin** and the **Faldo Amendoeira** in the scenic Algarve region.

In **Portimao**, enjoy golden sandy beaches under dramatic cliffs and taste the freshest sea bass, lightly drizzled in olive oil and grilled to perfection. Stroll the tiny cobblestone streets of **Cadiz**, while admiring the Moorish architecture in Europe's oldest most continually inhabited city. Watch the Barbary apes frolic at the **Rock of Gibraltar**. Tour the 11th century citadel Alcazaba in **Málaga**, which is the capital of Costa del Sol. Old World charm meets modern architectural genius in **Valencia**, which is Spain's third-largest city. We conclude in **Barcelona**, a popular destination for travelers from across the globe because of its abundant food, wine, beaches and architecture.

We'll enjoy a diverse, challenging and entertaining golf program. **Valderrama** is a regular stop on the European Tour and routinely considered the No. 1 course in Continental Europe, drawing comparisons to Augusta National, home of the Masters. **Finca Cortesin** receives similar praise, as it may be the masterpiece of the underrated yet prolific architect Cabell B. Robinson. **The Faldo Course at Amendoeira Golf Resort**, designed by the six-time major champion Sir Nick Faldo, is set on an undulating property and offers the ideal mix of beauty and strategic challenge. **El Saler** is a classic layout on the outskirts of Valencia and **El Prat** is an excellent Greg Norman design in Barcelona.

*Azamara Pursuit* is a mid-sized luxury vessel nimble enough to access smaller ports yet large enough to provide every amenity you expect from fine dining and live entertainment to a full-service spa. Forty-six suites are available with English butler style service which routinely book early. Particularly enjoyable about a PerryGolf / Azamara cruise is how the schedule will include many extended stays in port plus the occasional overnight which permits a truly immersive experience. Better still, **Azamara Club Cruises** are inclusive of a full selection of beer, spirits, soft drinks, bottled water, specialty coffees plus wine with lunch and dinner along with gratuities for housekeeping, dining and bar staff.

Every aspect of the golf program is managed by PerryGolf staff onboard and ashore. Your clubs will be waiting your arrival at the golf course. Tee times and pairings will be posted the night before. Casual competitions will be arranged and prizes awarded. Lunch is included while you play plus there will be an open bar at the clubhouse when you finish. Carts/caddies, transfers, local taxes, service charges and gratuities (excluding caddies) are included.

The guest list will number between 40 and 60, most of whom are golf couples. It's also common to have non-golfers who will enjoy themselves as a luxury cruise guest starting with *Azamara Pursuit's* fabulous facilities combined with a wide selection of **Azamara Shore Excursions®**. The "2020 Iberian Peninsula Golf Cruise" is a full-featured vacation and a unique opportunity to enjoy yourself in the company of like-minded new friends!

In the El Pópulo district, you'll find the second largest Roman theater in the world (which was constructed in 1st century BC), go to Tarifa for beautiful beaches, a variety of watersports, and great views of Morocco, or simply enjoy a traditional meal of Andalusian specialties like gazpacho, fried fish, Iberian ham, and a glass of Jerez sherry.

## SEPTEMBER 14, MONDAY: GIBRALTAR, UK (7:30AM / 10:00PM)

---

**GOLF: Valderrama** is a perennial World 100 layout consistently been rated among the five best in Continental Europe. "The Augusta of Europe" is a private club originally designed in 1974 by Robert Trent Jones on a hill above the old Andalucian village of Sotogrande. He was recalled in 1985 for a remake that has subsequently hosted a plethora of championships including the Volvo Masters and the 1997 Ryder Cup remembered for Europe's late, great and charismatic captain Severiano Ballesteros.

**SIGHTSEEING: The Rock of Gibraltar** is a sight to behold rising nearly 1,400 feet out of nowhere located in a strategic position at the southern end of the Iberian Peninsula. It overlooks the Straits of Gibraltar and is linked to Spain by a narrow isthmus. Most of the upper Rock, starting just above the town, is a nature reserve with spectacular views accessible by cable car. Gibraltar is imposing but small. It measures less than six square kilometres and is inhabited by around 30,000 people made up of Gibraltarians, British, Moroccans, Indians and Spanish. There is a colony of the famous, camera-hogging Barbary apes who run free in a semi-wild state. Gibraltar is a British self-governing colony and a member of the European Union by virtue of Britain's membership.

## SEPTEMBER 15, TUESDAY: MALAGA, SPAIN (6:30AM / 6:00PM)

---

**GOLF: Finca Cortesin** is ranked as one of Spain's finest golf courses by *Golf Digest* Magazine. Cabell B. Robinson's design beautifully complements the natural landscape. It provides a perfect balance between 20 varieties of flora, the typical Mediterranean forest and the perfectly manicured bermuda grasses of the golf course. Finca Cortesin played host to the prestigious Volvo World Match Play Championship for 3 years, with many of the world's finest professional competing.

**SIGHTSEEING: Malaga** is found on Spain's famous Costa del Sol along with its coastal and inland neighbors Rincon de la Victoria, Torremolinos, Benalmadena, Fuengirola, Alhaurin de la Torre, Mijas and Marbella. The important cultural infrastructure and the rich artistic heritage have culminated in the nomination of Malaga as a candidate for the 2016 European Capital of Culture. The internationally acclaimed painter and sculptor Pablo Picasso and actor Antonio Banderas were both born in Malaga.

## SEPTEMBER 16, WEDNESDAY: VALENCIA, SPAIN (6:00PM / IN PORT)

---

**Valencia** has come a very long way since 138 BC when it was founded as a Roman colony. Today it is Spain's third largest city after Madrid and Barcelona. It has one of the world's most prosperous local economies. The

story you'll probably take home however is about one of the most striking ranges of architecture imaginable. Of course you'll find antiquity in many forms such as Valencia's Gothic cathedral which was built over a mosque after the Christian reconquest of 1238. You will also find the space-age City of Arts and Sciences, a massive project by neofuturistic architect Santiago Calatrava (World Trade Center Transportation Hub) whose showpiece is Oceanogràfic – one of the world's biggest aquariums, with polar zones, underwater tunnels and an underwater restaurant. The juxtaposition is startling. And you'll have two full days to immerse yourself in it!

#### **SEPTEMBER 17, THURSDAY: VALENCIA, SPAIN (IN PORT / 5:00PM)**

---

GOLF: **El Saler** is located on the outskirts of Valencia within the Albufera Nature Park. Designed by Javier Arana, one of the most prestigious Spanish designers and opened in 1968, it sits nearby the beach occupying terrain dotted with pine trees and sand dunes and has a distinctly "links" feel. It's famous "cats claw" (not dissimilar to the Monterey Peninsula's "iceplant") is certainly to be avoided in the rough.

### **Overnight - At Sea**

#### **SEPTEMBER 18, FRIDAY: BARCELONA, SPAIN (7:00AM / IN PORT)**

---

GOLF: **Real Club de Golf El Prat** is located to the north of Barcelona at Terrasa. It was the first golf course in continental Europe to be designed by Greg Norman to give it a unique character that places an emphasis both on aesthetic appeal and playability. Norman's designs have traditionally given the impression they have been part of the landscape for generations.

SIGHTSEEING: **Barcelona** is the 11th most visited city in the world according to *MasterCard's 2014 Global Destinations Index* and 3rd most popular in Europe behind London and Paris. There's a lot to like in this Olympic City (1992) from the food to the beaches, the weather and the night life. For many visitors however Barcelona is about architecture, especially the work of Antoni Gaudi. His **Sagrada Familia** in the city center is astounding. Construction began on the church in 1882; it is scheduled for completion in 2026 on the 100th anniversary of Gaudi's death. Azamara ships will almost always dock at the foot of Las Ramblas just steps from the Christopher Columbus statue. You will literally walk off the ship and into the city. No taxi required!

Enjoy **Barcelona** on your own or via **Azamara Shore Excursions®**.
