## 2020 **South American** Golf Cruise

9 Nights | 4 Rounds | Rio de Janeiro – Buenos Aires | November 30 – December 9

### **This Voyage is Hosted by PerryGolf Co-Founder Colin Dalgleish**

PerryGolf is delighted to offer this very special 9 night, 4 round cruise to South America onboard the luxurious 690-seat *Azamara Quest* featuring golf in three countries. We begin in **Rio de Janeiro** and sail south, visiting **San Paulo, Montevideo, Ilhabela** and **Punta del Este** before reaching **Buenos Aires**. The golf is equally fantastic, highlighted by the **Olympic Golf Course** in Rio, site of golf's 2016 return to the Olympic Games and highly rated **Buenos Aires Golf Club**.

The adventure begins with an overnight in **Rio** where you can relax – and party – on one of the world's most famous beaches and be certain to visit one of the New Seven Wonders of the World, the 125-foot tall Christ the Redeemer, sitting high atop Corcovado Mountain. Next is a lush jungle wonderland to explore on **Cabras Island** before we dive into the 24-hour excitement of **São Paulo**, the largest metropolis in the Western Hemisphere well known for its cosmopolitan energy. Fashionable **Punta del Este** has an eclectic, artsy vibe while **Montevideo** is memorable for its European charm and elegance. **Buenos Aires**, with its colonial European architecture and interesting combination of cultures is known as the "Paris of South America."

Our golf on the cruise is diverse and challenging. Renowned architect Gil Hanse designed the **Olympic Golf Course** in Rio for the 2016 Games and the layout delivered a thrilling duel as Justin Rose outlasted Henrik Stenson to claim the gold medal. **Buenos Aires Golf Club** is ranked in the top two in Argentina and served as host for the 2000 World Cup of Golf Championship, won by Americans Tiger Woods and David Duval. **Cantegril** in Uruguay is a tree-lined layout measuring 6,411 yards from the tips that flourished after architect Emilio N. Serra's redesigns in 1996 and 2000. **Sao Paulo** is rated #4 in Brazil and was designed by legendary Canadian architect Stanley Thomson assisted by a very young Robert Trent Jones.

*Azamara Quest* is a mid-sized luxury vessel nimble enough to access smaller ports yet large enough to provide every amenity you expect from fine dining and live entertainment to a full-service spa. Forty-six suites are available with English butler style service which routinely book early. Particularly enjoyable about a PerryGolf / *Azamara* cruise is how the schedule will include many extended stays in port plus the occasional overnight which permits a truly immersive experience. Better still, **Azamara Club Cruises** are inclusive of a full selection of beer, spirits, soft drinks, bottled water, specialty coffees plus wine with lunch and dinner along with gratuities for housekeeping, dining and bar staff.

Every aspect of the golf program is managed by PerryGolf staff onboard and ashore. Your clubs will be waiting your arrival at the golf course. Tee times and pairings will be posted the night before. Casual competitions will be arranged and prizes awarded. Lunch is included while you play plus there will be an open bar at the clubhouse when you finish. Carts/caddies, transfers, local taxes, service charges and gratuities (excluding caddies) are included.

The guest list will number between 40 and 60, most of whom are golf couples. It's also common to have non-golfers who will enjoy themselves as a luxury cruise guest starting with *Azamara Quest's* fabulous facilities combined with a wide selection of **Azamara Shore Excursions®**. The "2020 South American Golf Cruise" is a

### DECEMBER 1, TUESDAY: Rio de JANEIRO, BRAZIL (IN PORT / 8:00PM)

---

**GOLF: The Olympic Golf Course** is located in Barra da Tijuca slightly less than an hour from Rio. It was designed by the esteemed American architect Gil Hanse for golf's return to the 2016 Olympic Games following a 112-year hiatus. The 7,160-yard par 71 layout served as the ideal venue for an epic battle between Englishman Justin Rose and the Swedish star Henrik Stenson, which Rose won with a brilliant 72-hole total of 16-under par. Inbee Park closed with a 66 to clear Silver Medalist Lydia Ko by five shots.

**SIGHTSEEING:** Samba on down to **Rio**, famous for its dramatic landscape and beach culture, easy going except for the four days of frenetic, feather-festooned Carnaval.

From the summits of Sugarloaf and Corcovado, take in glorious views of a magnificent bay set against a mountain backdrop. Check out the activity at one or two of the 23 beaches, crowded with sunbathers and swimmers, and also populated by surfers, bikers, and the girl from Ipanema. Pull up a chair at a churrascaria and dine on the delicious grilled meat of your choice, washed down with a caipirinha.

No journey to Rio would be complete without a visit to one of the New Seven Wonders of the World —**Christ the Redeemer** (Cristo Redentor). At the top of Corcovado Mountain, towering high above the city below, this 125-foot-tall statue of Jesus Christ spreads its arms over Rio and offers spectacular panoramic views of Guanabara Bay.

### DECEMBER 2, WEDNESDAY: ILHABELA, BRAZIL (8:00AM / 8:00PM)

---

This beautiful island lives up to its name, and today belies its once lurid reputation as a hideout of smugglers and pirates.

Where once failed coffee plantations replaced lush vegetation, the land has been reclaimed, and state park trails provide access to a luscious green jungle, with numerous waterfalls where you can stop for a swim along the way. Divers will find great opportunities on some of the many shipwrecks off the coast.

And when you work up an appetite there is nothing better than shrimp right off the boat, accompanied by Brazil's national cocktail, the Caipirinha, a delightful mix of capacha, lime and sugar.

Enjoy **Ilhabela** on your own or via **Azamara Shore Excursions®**.

**Montevideo** exudes European charm and elegance, with broad boulevards, fountains, stately squares, and irresistible sidewalk cafes.

The city maintains a low-key atmosphere despite its position as Uruguay's commercial and political hub, and there are few skyscrapers on the horizon, though there are some surprising contrasts – an Art Nouveau pedestrian mall, Art Deco Centenary Stadium, and an American Embassy designed by I.M. Pei. Most of the nation's countryside is farm or ranchland, and the life of the cowboy, or gaucho, is part of the local lore.

Take a peek at the **Gaucha Museum** (cowboy museum), or visit an estancia (ranch), and see them in action.

Enjoy **Montevideo** on your own or via **Azamara Shore Excursions®**.

Fashionable cafes and shops line the streets, and an evening harbor-front stroll will no doubt include a serenade by street musicians and entertainers.

Beautiful walks, avenues, parks, monumental buildings, cafes, museums and churches gathered in 26 districts, each with its own distinct personality, creates a truly cosmopolitan air. The northern quarter resembles the most elegant areas of Paris; The abundance of cafes on May Avenue evokes the flavor of Madrid's Gran Vía; the shady Belgrano streets recall the distinguished Londoners suburb; Naples seems to be present in the noisy and colored La Boca quarter.
