
2021 **Baltic Sea** Golf Cruise

12 Nights | 6 Rounds | Copenhagen - Stockholm | July 11 - 23

PerryGolf is proud to again partner with **Azamara®** for a 12-night, 6-round voyage of the Baltic Sea onboard the 690-guest *Azamara Quest* beginning in **Copenhagen** and concluding in **Stockholm**, the vibrant capital city of **Sweden**. We visit no less than six countries and the quality of our six round line-up is sure to surprise and delight.

Our golf is the best in the region including **Sand Valley** in Poland, **Visby Golf Club** in Sweden, **Hirsala Golf Club** in Helsinki and **Gorki Golf Club** - the first and currently only championship golf course in northwest Russia, **Estonian Golf & Country Club** in Estonia, and finally **Bro Hof Slott** in Sweden. All courses are of modern construction with outstanding facilities.

Azamara Quest, which serves as our perfect floating boutique hotel and clubhouse, is a mid-sized luxury vessel nimble enough to access smaller ports yet large enough to provide every amenity you would expect, from a choice of fine dining and live entertainment, to a well-equipped gym and full-service spa. Forty-six suites are available with English butler style service which routinely book early. Sailing schedules often include extended stays in port plus the occasional overnight which allows for a truly immersive experience. Better still, these cruises are inclusive of a selection of beers, spirits, soft drinks, bottled water, specialty coffees plus wine with lunch and dinner along with gratuities for housekeeping, dining and bar staff. Azamara also proudly boasts two unique signature events on each cruise - an **AzAmazing EveningSM** and the **White Night** party - complimentary to all guests and consistently well received.

Every aspect of the golf program is fully managed by PerryGolf staff onboard and ashore. Your clubs will be ready and waiting at each venue. Tee times and pairings arranged and posted in advance. A convenient transportation schedule affords suitable time to warm up at the range, and to make the almost inevitable pro shop merchandise purchase. Carts are always included, subject to availability. A friendly competition is staged at a selected course, with prizes awarded at our farewell gathering. A snack lunch is included on-course plus an open bar operates in the clubhouse at the conclusion of the round. Our typical guest list which brings together like-minded individuals generally numbers between 40 and 50, with new friendships invariably formed during each cruise. Many guests are golfing couples but an equal number are golfers travelling with a non-golfing spouse. Specially arranged onboard golf group social functions, to which all accompanying non-golfing spouses are most warmly welcomed, further enhances the club-like environment. The award winning **Azamara Shore Excursions®** program, offering a wide variety of off ship excursions, also caters beautifully to our non-golfing guests during days when our golfing excursions are underway.

The “2021 *Baltic Sea Golf Cruise*” is a genuinely full-featured vacation and a special opportunity to enjoy yourself in the company of like-minded new friends!

JULY 13, TUESDAY: GDANSK, POLAND (6:00PM / IN PORT)

Enjoy a leisurely day at sea with late afternoon arrival into Gdansk, Poland.

Gdansk is a 1,000-year-old port city on the Baltic coast of Poland, which, together with the city of Gdynia and the town of Sopot, makes up the metropolitan area *Trójmiasto*, "the Tricity". Home to the Westerplatte, where World War II broke out in 1939, Gdansk was mostly destroyed during the war, but many impressive sights remain. Wander through cobblestone streets and mazes of red-brick buildings to discover the **Upland Gate**, St. Mary's Church, the medieval Gdansk Crane or the stunning façade of the Great Arsenal. Explore treasures of "Baltic Gold" at the Amber Museum or collections of paintings, fabrics, and furniture at the **National Museum**, housed in a former Franciscan monastery. Relax at a beer garden or restaurant and take in the beautiful coastline. Make your way to Gdynia, home of the Polish navy, to feast on seafood or a visit to a floating museum in the form of two ships - **Dar Pomorza** and **Blyskawica**.

JULY 15, THURSDAY: VISBY, GOTLAND, SWEDEN (7:30AM / 6:00PM)

GOLF: A combination of links and parkland holes accompanied by the strong Baltic Sea wind makes for a demanding round at **Visby Golf Club**, rated #4 in Sweden. The course was originally designed by Nils Skold in 1958 with upgrading works taking place in around the millennium. Careful consideration was taken to preserve the legacy of Skold. Special mention goes to the par five 6th hole, running along the water's edge that requires vigilant contemplation and flawless execution.

SIGHTSEEING: Visby is located on the Island of **Gotland** and is questionably Scandinavia's most preeminent medieval city and has been on the UNESCO World Heritage site list since 1995. Annually in August, it hosts its medieval week, complete with authentic dress, feasts and jousting, but you can visit Visby at any time of year to get a sense of its medieval history. Just follow the cobblestone streets that wind throughout the city, take a tour of its Old Town and visit the 13th century Visby Cathedral.

JULY 16, FRIDAY: HELSINKI, FINLAND (1:30PM / IN PORT)

SIGHTSEEING: **Helsinki** is a successful blend of traditional and modern architecture and design, interwoven with the beauty of nature, and a few quirky, purely Finnish touches - such as a church built inside a giant chunk of granite, and a venue that is a unique combination of café, restaurant, bar, laundromat, and sauna. Classic Russian onion-domed churches share the stage with Nordic minimalism, and a large concentration of Art Nouveau buildings. Prominent globally in the field of technology, Finland has also recently topped the charts as having the world's best educational systems.

JULY 21, WEDNESDAY: TALLINN, ESTONIA (8:00AM / 5:00PM)

GOLF: Estonian Golf & Country Club opened in 2005 as part of the prestigious European Tour Properties network, and quickly and rightfully took its place in Golf World Magazine's prestigious Top 100 European Courses, a spectacular achievement for a venue in an emerging golf nation. Its Sea Course hosted the Omega Mission Hills World Cup European Qualifier in both 2009 and 2011, with the International European Seniors Championship following in 2013 and the European Ladies' Amateur Championship in 2014. Locals say that when God created the coastal land of the Estonian Golf & Country Club, he must have intended it to be a golf course as it winds its way so harmoniously along the Baltic Coast and the Jägala River delta.

Please note The Estonian Golf & Country Club operates a limited number of golf carts which will accommodate the majority but not all of our guests. Carts will be allocated on a most need basis. It is an easy walking golf course. Pull carts will be provided for all walking guests.

SIGHTSEEING: Tallinn is the capital and largest city of Estonia, being home to one third of the country's population. Despite occupation at one time or another by each of its near neighbors, Tallinn is independent-minded and has creative ways of showing it - consider the Singing Revolution of 1988, the massive musical demonstration against Soviet rule that set Estonia on the path to independence. Visit St. Olav's Church, once the tallest building in the world, at least until 1625. Then pull up a chair at one of the cafés in the charming town square, heart of the city for 800 years. After your coffee, explore St. Catherine's Passage, a quaint old lane, home to a collection of craft workshops, and check out the secret 17th C. tunnel system.

JULY 22 THURSDAY: STOCKHOLM, SWEDEN (9:00AM / IN PORT)

GOLF: The Bro Hof Slott Stadium Course has built a reputation as one of the best golf courses in the world. Shortly after opening in 2007 the course which sits on spectacular grounds on the edge of Lake Mälaren was judged to be Sweden's best. It now ranks 54th in Golf World's top 100 worldwide list and is ranked the second best in Europe outside The British Isles. The Stadium Course is a "lakeside course" and a fabulous experience for any golfer. It also featured on the European Tour with Lee Westwood winning the 2013 Nordic Masters.

SIGHTSEEING: Stockholm is the cultural, media, political, and economic center of Sweden. It sports an appealing mix of modern Scandinavian architecture and fairy tale palaces, watched over by a Board of Beauty, responsible for preserving the city. One third of its area is devoted to green space, and another third to waterways, providing lots of room to breathe. Gamla Stan is the oldest section, retaining the medieval layout of narrow meandering paths. For the contemporary take there's Södermalm, known trendily as SoFo, with welcoming restaurants and pubs, specialty shops and boutiques. Stieg Larsson fans hang out here, as it is the

area of the city where most action in the Millennium novels takes place.
