
2022 Iberian Peninsula Golf Cruise

8 Nights | 4 Rounds | Lisbon - Barcelona | September 9 - 17
A Back-to-Back Voyage

PerryGolf is proud to again partner with **Azamara®** for an exceptional 8-night, 4-round golf and sightseeing voyage around the **Iberian Peninsula**. This cruise with less than 700 guests onboard the outstanding *Azamara Quest* will also feature a special sailing of the **Guadalete River** to the historic city of **Seville**.

Our itinerary begins in **Lisbon**, Portugal and concludes in the vibrant Spanish city of **Barcelona**. The golf line-up includes the Jose Maria Olazabal designed **Royal Seville Golf Club**; the stunningly renovated **San Roque**; **El Saler**, a classic layout on the outskirts of **Valencia** and **Barcelona's** renowned **El Prat**.

Azamara Quest, which serves as our perfect floating boutique hotel and clubhouse, is a mid-sized luxury vessel nimble enough to access smaller ports yet large enough to provide every amenity you would expect, from a choice of fine dining and live entertainment, to a well-equipped gym and full-service spa. Forty-six suites are available with English butler style service which routinely book early. Sailing schedules often include extended stays in port plus the occasional overnight which allows for a truly immersive experience. Better still, these cruises are inclusive of a selection of beers, spirits, soft drinks, bottled water, specialty coffees plus wine with lunch and dinner along with gratuities for housekeeping, dining and bar staff. Azamara also proudly boasts two unique signature events on each cruise – an **AzAmazing EveningSM** and the **White Night** party – complimentary to all guests and consistently well received.

Every aspect of the golf program is fully managed by PerryGolf staff onboard and ashore. Your clubs will be ready and waiting at each venue. Tee times and pairings arranged and posted in advance. A convenient transportation schedule affords suitable time to warm up at the range, and to make the almost inevitable pro shop merchandise purchase. Carts are always included, subject to availability. A friendly competition is staged at a selected course, with prizes awarded at our farewell gathering. A snack lunch is included on-course plus an open bar operates in the clubhouse at the conclusion of the round. Our typical guest list which brings together like-minded individuals generally numbers between 40 and 50, with new friendships invariably formed during each cruise. Many guests are golfing couples but an equal number are golfers travelling with a non-golfing spouse. Specially arranged onboard golf group social functions, to which all accompanying non-golfing spouses are most warmly welcomed, further enhances the club-like environment. The award winning **Azamara Shore Excursions®** program, offering a wide variety of off ship excursions, also caters beautifully to our non-golfing guests during days when our golfing excursions are underway.

The “2022 Iberian Peninsula Golf Cruise” is a genuinely full-featured vacation and a special opportunity to enjoy yourself in the company of like-minded new friends!

SIGHTSEEING: **Seville** - the passionate nature of Sevillanos is evident in their devotion to bullfighting, flamenco, and fiesta. Food too, it appears, as Seville is credited with the invention of tapas. Join in with the locals as they graze from bar to bar, making an entire meal out of the experience. The city also has a rich history evident in its old quarters and landmarks. The great cathedral is immense, lavishly ornamented with paintings and sculptures, and copious quantities of gold. The Alcazar, the main palace, is exquisitely decorated in Moorish style, with themed gardens laid out in terraces.

GOLF: **Royal Seville Golf Club** was designed by Jose Maria Olazabal. Its balanced and well-manicured layout is set through trees and lakes and hosted the 2004 World Cup of Golf, the 2008 & 2010 Spanish Open on the European Tour, and it is ranked within the top five in Spain by Golf Digest.

Following golf, we make a navigation of the **Guadalete River** as we head back out to sea for our overnight sailing to Gibraltar.

Overnight: At Sea

SEPTEMBER 12, MONDAY: GIBRALTAR, UNITED KINGDOM (8:00AM / 10:00PM)

GOLF: The Old Course at **The San Roque Club** is firmly established in Spain's golfing history, having hosted the Spanish Open, in addition to multiple European Tour Schools. A number of the greats of the game have ignited their careers here. It is however the future that is the most exciting. Set in the foothills of Sierra Bermeja, amidst the peace and natural beauty of Andalusia, and with a multi-million euro renovation of facilities now completed, The San Roque Club can once again be considered one of the finest golf venues in Europe.

SIGHTSEEING: The **Rock of Gibraltar** is a sight to behold rising nearly 1,400 feet out of nowhere located in a strategic position at the southern end of the Iberian Peninsula. It overlooks the Straits of Gibraltar and is linked to Spain by a narrow isthmus. Most of the upper Rock, starting just above the town, is a nature reserve with spectacular views accessible by cable car. Gibraltar is imposing but small. It measures less than six square kilometres and is inhabited by around 30,000 people made up of Gibraltarians, British, Moroccans, Indians and Spanish. There is a colony of the famous, camera-hogging Barbary apes who run free in a semi-wild state. Gibraltar is a British self-governing colony and a member of the European Union by virtue of Britain's membership.

SEPTEMBER 13, TUESDAY: MALAGA, SPAIN (8:00AM / 6:00PM)

Malaga is found on Spain's famous Costa del Sol along with its coastal and inland neighbors Rincon de la Victoria, Torremolinos, Benalmadena, Fuengirola, Alhaurin de la Torre, Mijas and Marbella. The important cultural infrastructure and the rich artistic heritage have culminated in the nomination of Malaga as a candidate for the 2016 European Capital of Culture. The internationally acclaimed painter and sculptor Pablo Picasso and actor Antonio Banderas were both born in Malaga.

SEPTEMBER 14, WEDNESDAY: CARTAGENA, SPAIN (8:00AM / 6:00PM)

Cartagena is strategically located amongst a number of historic sailing routes, and has been colonized by a veritable who's who of Mediterranean superpowers over the millennia. The result is a rich and multi-layered cultural heritage, and a history both glorious and turbulent. From atop a hill, Concepción Castle served as a fortress for Carthaginians, Romans, Visigoths, Arabs, and Castilians. The 13th century Old Cathedral stands on the remains of a Roman Theater just discovered in 1987. More recent architectural contributions include modernist designs of public buildings and private dwellings by pupils of the famous architect Antoni Gaudi.

SEPTEMBER 15, THURSDAY: VALENCIA, SPAIN (8:00AM / 8:00PM)

GOLF: El Saler Golf Club is located on the outskirts of Valencia within the Albufera Nature Park. Designed by

Javier Arana, one of the most prestigious Spanish designers and opened in 1968, it sits nearby the beach occupying terrain dotted with pine trees and sand dunes and has a distinctly "links" feel. It's famous "cats claw" (not dissimilar to the Monterey Peninsula's "iceplant") is certainly to be avoided in the rough.

SIGHTSEEING: Valencia has come a very long way since 138 BC when it was founded as a Roman colony. Today it is Spain's third largest city after Madrid and Barcelona. It has one of the world's most prosperous local economies. The story you'll probably take home however is about one of the most striking ranges of architecture imaginable. Of course, you'll find antiquity in many forms such as Valencia's Gothic cathedral which was built over a mosque after the Christian reconquest of 1238. You will also find the space-age City of Arts and Sciences, a massive project by neofuturistic architect Santiago Calatrava (World Trade Center Transportation Hub) whose showpiece is Oceanogràfic – one of the world's biggest aquariums, with polar zones, underwater tunnels and an underwater restaurant. The juxtaposition is startling. And you'll have a full day to immerse yourself in it!

Enjoy **Valencia** on your own arrangements or via **Azamara Shore Excursions®**.

SEPTEMBER 16, FRIDAY: BARCELONA, SPAIN (9:00AM / IN PORT)

GOLF: Real Club de Golf El Prat is located to the north of Barcelona at Terrassa. It was the first golf course in continental Europe to be designed by Greg Norman to give it a unique character that places an emphasis both on aesthetic appeal and playability. Norman's designs have traditionally given the impression they have been part of the landscape for generations.

SIGHTSEEING: Barcelona is the 17th most visited city in the world according to *MasterCard's 2018 Global Destinations Index* and 3rd most popular in Europe behind London and Paris. There's a lot to like in this Olympic City (1992) from the food to the beaches, the weather and the night life. For many visitors however Barcelona is about architecture, especially the work of Antoni Gaudi. His Sagrada Familia in the city center is astounding. Construction began on the church in 1882; it is scheduled for completion in 2026 on the 100th anniversary of Gaudi's death. Azamara ships will almost always dock at the foot of Las Ramblas just steps from the Christopher Columbus statue. You will literally walk off the ship and into the city. No taxi required!

Enjoy **Barcelona** on your own or via **Azamara Shore Excursions®**.
