PerryGolf is proud to partner with **Azamara®** for an exceptional 11 night, 4 round golf voyage from Southampton to Lisbon onboard the outstanding 700 guest *Azamara Journey*. Our itinerary will include six fabulous ports of call along the coast line of France, Northern Spain, and Northern Portugal. We will enjoy an extended two-day stay in iconic Bordeaux, an overnight stay in Lisbon and a further three late evenings during our voyage, all in all a great opportunity to more fully experience these destinations.

Our golf includes four rounds including the highly regarded Golf du Medoc, Uruburu, Estela, and Oitavos Dunes. *Azamara Journey*, which serves as our perfect floating boutique hotel and clubhouse, is a mid-sized luxury vessel nimble enough to access smaller ports yet large enough to provide every amenity you would expect, from a choice of fine dining and live entertainment, to a well-equipped gym and full-service spa. Forty-six suites are available with English butler style service which routinely book early. Sailing schedules often include extended stays in port plus the occasional overnight which allows for a truly immersive experience. Better still, these cruises are inclusive of a selection of beers, spirits, soft drinks, bottled water, specialty coffees plus wine with lunch and dinner along with gratuities for housekeeping, dining and bar staff. Azamara also proudly boasts two unique signature events on each cruise - an **AzAmazing EveningSM** and the **White Night** party - complimentary to all guests and consistently well received.

Every aspect of the golf program is fully managed by PerryGolf staff onboard and ashore. Your clubs will be ready and waiting at each venue. Tee times and pairings arranged and posted in advance. A convenient transportation schedule affords suitable time to warm up at the range, and to make the almost inevitable pro shop merchandise purchase. Carts are always included, subject to availability. A friendly competition is staged at a selected course, with prizes awarded at our farewell gathering. A snack lunch is included on-course plus an open bar operates in the clubhouse at the conclusion of the round. Our typical guest list which brings together like-minded individuals generally numbers between 40 and 50, with new friendships invariably formed during each cruise. Many guests are golfing couples but an equal number are golfers travelling with a non-golfing spouse. Specially arranged onboard golf group social functions, to which all accompanying non-golfing spouses are most warmly welcomed, further enhances the club-like environment. The award winning **Azamara Shore Excursions®** program, offering a wide variety of off ship excursions, also caters beautifully to our non-golfing guests during days when our golfing excursions are underway.

The "2023 France, Spain & Portugal Golf Cruise" is a genuinely full-featured vacation and a special opportunity to enjoy yourself in the company of like-minded new friends!

SEPTEMBER 9, SATURDAY: GUERNSEY, CHANNEL ISLANDS (8:00AM / 5:00PM)

Guernsey, or the **Bailiwick of Guernsey** by its official title, is a self-governing possession of the British Crown found off the coast of Normandy, France in the English Channel. It is a wonderful juxtaposition of England and France with an English lean by virtue of the Norman invasion of England in 1066. St. Peter Port overlooks the harbor, with rows of brightly painted houses, and terraced gardens. The island is ideal for rambles along cliffside paths and through the bucolic interior. While fishing, flower growing, and dairy farming are still important, Guernsey's favorable tax climate has brought an influx of offshore banks and insurance companies with their attendant bistros and boutiques. It was here in exile from 1855-1870 where Victor Hugo wrote some of his best-known works including *Les Misérables*.

Overnight: At Sea

SEPTEMBER 11, MONDAY: BORDEAUX, FRANCE (9:00AM / IN PORT)

GOLF: **Golf du Medoc** crafted from the genius of American architect Bill Coore, this Scottish links style course opened in 1989 and has earned its reputation for immaculate putting surfaces. Consistently ranked in the top 100 in Continental Europe, the Chateaux course evokes images of classics such as Sunningdale and Swinley in the British Isles, combining heather, gorse, broom and, of course, the menacing wind. No. 11 is an intriguing risk / reward par-4. A creek bisects the fairway and demands a decision, offering bold and conservative routes to the green.

SIGHTSEEING: **Bordeaux's** fortunes have long been tied to viticulture, beginning with an expansion of the wine trade with England in the 14th century. As a result it is a handsome and cohesive city of uniform classical and neoclassical style, with monumental buildings and many fine estates financed by the almighty grape. The nearby countryside is alive with wine chateaux sporting impressive appellations such as Pauillac, Sauternes, Margaux, and Saint-Emilion. A visit is an excellent opportunity to learn more about wine production and appreciation, which of course requires a considerable amount of tasting to accomplish.

SEPTEMBER 13, WEDNESDAY: ST JEAN DE LUZ, FRANCE (1:30PM / 9:00PM)

One of France's most picturesque beach retreats, **St. Jean de Luz** is a prosperous Basque town best known for its architecture and cuisine. Once a modest fishing port, it grew rich in the 16th century from fishing and whaling, supplemented by piracy that was backed by the French king ... many of the handsome old houses in town were in fact built on the proceeds. The Sun King, Louis XIV King of France, married Marie-Therese of Spain in 1660 in the magnificent Church of St John the Baptist, with its fabulous baroque altar.

The beauty of the course lies in its diversity, and it provides an outstanding experience for the visiting golfer.

SIGHTSEEING: If **Bilbao** wasn't always a household name, it was transformed into one with the opening of Frank Gehry's groundbreaking **Guggenheim Museum** in 1997. Located in the heart of the Basque Country, Bilbao became an instant media darling and tourist mecca. And that was just the beginning of an exciting phase of development in infrastructure and cultural activity which, combine with the Basque love of food, wine and laughter, solidified the city's place in the annals of tourism.

SEPTEMBER 15, FRIDAY: GIJON, SPAIN (9:00AM / 6:00PM)

While not perhaps as overtly glamorous as some of Spain's other coastal cities, **Gijón** is the apple of the Bay of Biscay's eye. What wine is to Rioja, cider is to Gijón and the surrounding region, Asturias. Try the Cider Trail—a guided tour to some of the best cider houses and restaurants in the city to get a taste for this important cultural tradition. Gijón also has the distinct honor of having the largest number of bakeries per capita in all of Spain. It's also rumored that the best croissants in the land can be found in this charming city.

Overnight: At Sea

SEPTEMBER 16, SATURDAY: LA CORUNA, SPAIN (7:30AM / 5:00PM)

You would be hard-pressed to find a city more shaped and impacted by the sea than **La Coruna, Spain**. You can see this influence in the Roman Tower of Hercules, a UNESCO World Heritage Site designated stone lighthouse. Standing guard over the city, the 180-foot Tower marks one end of the spectacular Paseo Marítimo promenade—one of the longest in Europe—and has been in operation since approximately the 2nd century AD. Walk some or all of the eight-mile long promenade to see some of the city's other waterfront highlights like the Marina, Castelo de San Antón, and the Millennium monument. The strong nautical influence can also be seen in the characteristic glazed window balconies (also known as galerias) that give La Coruna its nickname the Glass City.

Duarte Sottomayor, who studied golf course architecture under the acclaimed Robert Trent Jones Sr., designed Estela with the touch of a minimalist, allowing stiff breezes and the natural terrain to create a formidable, enjoyable challenge.

SIGHTSEEING: At the mouth of the Rio Douro lies the city of **Porto**, famous for its port wine trade. With origins dating back to the 5th century, there is plenty to see in this town that was named European Capital of Culture in 2001. Stroll the Ribeira neighborhood along the river, explore the Cathedral area, or tour the port lodges of Vila Nova de Gaia across the river. Savoring a taste of tawny port, trip and seafood while here is highly recommended.

Oitavos Dunes is a par 71 course that measures 6,900 yards from the competition tees. The layout is a lovely mixture of woodland and links-type holes that capitalize on the existing landscape.

SIGHTSEEING: Lisbon is one of the oldest cities in the world. Its magnificent harbour made it a logical trading port as far back as the Phoenicians, as well as a departure point for 15th century voyages sponsored by Prince Henry the Navigator, patron of Portuguese explorers. The city is rich in architecture, from Romanesque and Gothic to postmodern, and criss-crossed by monument-studded grand boulevards. Today it is seeking a place on the world stage by hosting, in addition to its own active cultural calendar, film festivals, art, fashion and design shows, book fairs, marathons, and rock concerts.
