
2023 **Mediterranean Islands** Golf Cruise

11 Nights | 5 Rounds | Athens - Barcelona | May 14 - 25

PerryGolf proudly partners again with **Azamara®** for this exceptional 10-night, 5-round golf and sightseeing voyage including some of the **Mediterranean's** most beautiful islands. This cruise with less than 700 guests onboard the outstanding *Azamara Pursuit* begins in **Athens** bound for seven captivating islands including, **Santorini, Crete, Sicily, Sardinia, Corsica, Menorca** and **Majorca**, before our final port of **Barcelona**. Our golf includes five rounds at the well regarded and highly scenic courses of **Crete Golf Club, Il Picciolo (Mount Etna), Pevero, Sperone, and Son Gual**.

Son Gual opened in 2007 to outstanding reviews while **Sperone Golf Club** draws comparisons to Pebble Beach and Cypress Point on the Monterey Peninsula. **Pevero** is an excellent Robert Trent Jones design along a similarly stunning coastline, while the **Crete Golf Club** is a striking layout carved out of rugged mountainous terrain.

Azamara Pursuit, which serves as our perfect floating boutique hotel and clubhouse, is a mid-sized luxury vessel nimble enough to access smaller ports yet large enough to provide every amenity you would expect, from a choice of fine dining and live entertainment, to a well-equipped gym and full-service spa. Forty-six suites are available with English butler style service which routinely book early. Sailing schedules often include extended stays in port plus the occasional overnight which allows for a truly immersive experience. Better still, these cruises are inclusive of a selection of beers, spirits, soft drinks, bottled water, specialty coffees plus wine with lunch and dinner along with gratuities for housekeeping, dining and bar staff. Azamara also proudly boasts two unique signature events on each cruise – an **AzAmazing EveningSM** and the **White Night** party – complimentary to all guests and consistently well received.

Every aspect of the golf program is fully managed by PerryGolf staff onboard and ashore. Your clubs will be ready and waiting at each venue. Tee times and pairings arranged and posted in advance. A convenient transportation schedule affords suitable time to warm up at the range, and to make the almost inevitable pro shop merchandise purchase. Carts are always included, subject to availability. A friendly competition is staged at a selected course, with prizes awarded at our farewell gathering. A snack lunch is included on-course plus an open bar operates in the clubhouse at the conclusion of the round. Our typical guest list which brings together like-minded individuals generally numbers between 40 and 50, with new friendships invariably formed during each cruise. Many guests are golfing couples but an equal number are golfers travelling with a non-golfing spouse. Specially arranged onboard golf group social functions, to which all accompanying non-golfing spouses are most warmly welcomed, further enhances the club-like environment. The award winning **Azamara Shore Excursions®** program, offering a wide variety of off ship excursions, also caters beautifully to our non-golfing guests during days when our golfing excursions are underway.

The “2023 *Mediterranean Islands Golf Cruise*” is a genuinely full-featured vacation and a special opportunity to enjoy yourself in the company of like-minded new friends!

SIGHTSEEING: **Athens** has quite a reputation to live up to. Named for Athena, Goddess of Wisdom, the city is credited with being the cradle of European civilisation and birthplace of democracy. Ruins and relics of its glory days are scattered throughout the modern city, popping up where you least expect them. Its crowning glory is the Acropolis, perched atop a hillside, and covered in carved and columned temples of varying degrees of antiquity. Not quite so old is the Plaka, an appealing neighbourhood for a stroll down cobblestone streets, past old mansions and a plethora of outdoor tavernas ideal for watching the world go by, while munching tasty Greek snacks.

MAY 15, MONDAY: : EPHESUS (KUSADASI), TURKEY (9:00AM / 10:00PM)

Kusadasi is your port of access to an age-old civilisation. Ephesus was once the second largest metropolitan area in the Roman Empire, eclipsed only by Rome herself. Explore this city of construction both monumental and mundane. It was famed for the **Temple of Artemis**, one of the wonders of the ancient world; the **Library of Celsus**, with its thousands of scrolls; and its amphitheater, with a capacity of 24,000 spectators. But you can also imagine yourself in the sandals of a resident as you stroll the streets, past marketplaces, and into bath complexes that offered piped-in hot water, massage, and sauna.

MAY 16, TUESDAY: SANTORINI, GREECE (8:00AM / 9:00PM)

Santorini is the rock star of the Greek islands in the Mediterranean, or more specifically the Aegean Sea. As *Azamara Pursuit* approaches for her early morning arrival, you will no doubt recognize the preponderance of whitewashed cliff-top structures perched along the top of this croissant-shaped island overlooking the massive caldera, or crater, created by one of the largest volcanic eruptions in recorded history now filled with water. Fira and Oia are home to equally exceptional shops and cafes. Fira is famous for its donkey climb up 588 steps from the sea. Oia is where you'll find Santorini's trademark blue domed churches. Both boast some of the most striking vistas in the world.

MAY 17, WEDNESDAY: HERAKLION, CRETE, GREECE (8:00AM / 8:00PM)

GOLF: Golf remains an unusual sport in Greece, **Crete Golf Club** is the only 18-hole course on the island built to USGA specifications. And what a golf course it is. Designed by Bob Hunt from PGA Design Consulting in the UK, the 6,430-yard layout was carved out of difficult, mountainous terrain at a cost of €16.2 million! It's a par 71 with five sets of tees and generous fairways. You'll remember the par 3s, particularly No. 6 which plays over a deep gorge to a two-tiered green cut into the foot of a hillside.

SIGHTSEEING: **Crete** is the fifth largest Mediterranean island, located 160 miles south of the Greek mainland. Humans have inhabited the island for approximately 130,000 years. It was here in the Bronze Age around 2,000 BC where Europe's first advanced civilization was developed by the Minoans. Their largest and most sophisticated settlement was **Knossos**, a palace located just 20 minutes outside of **Heraklion**, the largest city and capital of Crete, and one of Azamara's newest ports of call. Along with Knossos, be sure to include a visit to the Archaeological Museum, regarded as one of the most important museums in Greece. The pedestrian only Daidalou Street is where you'll find trendy shops boutiques and the chance to sample outstanding Greek cuisine like *kaltsounia* (sweet and savory cheese pie) plus and lamb with *stamnagathi* (a type of wild chicory).

MAY 19, FRIDAY: GIORDINA NAXO (TAORMINA), SICILY (7:30AM / 5:00PM)

GOLF: The highly scenic **Il Picciolo** course at the Mount Etna Golf Resort is the oldest course in Sicily, sitting in the shadow of Mount Etna. It was designed by renowned architect Luigi Rota Caremoli, and is fashioned from the

characteristic lava stone of Mount Etna. It has been a regular host to events on the Ladies European Tour and Men's Senior European Tour.

SIGHTSEEING: The island of **Sicily**, just off the tip of the Italian boot is the largest in the Mediterranean. Mountainous and rugged, its highest point is the tip of that infamous firebrand, the still active Mt Etna at 10,900 feet. Farmland, enriched by volcanic soil, produces lush crops of olives, citrus, and grapes. Climbing higher, you'd find forests, the scars left by old lava flows, and eventually the crater where smoke and simmering lava is sometimes visible. **Taormina** is a lovely small medieval town perched on high cliffs, with spectacular views over the bay and rugged coastline below.

MAY 21, SUNDAY: OLBIA, SARDINIA (9:00AM / 8:00PM)

GOLF: Pevero Golf Club. The site of Sardinia's first golf course – along the rugged, ragged coastline of the peninsula between the Bays of Cala di Volpe and Volpero – lured the esteemed Robert Trent Jones for one of his earliest projects overseas.

SIGHTSEEING: In a desirable location on the stunning Costa Smeralda, **Olbia** has been inhabited since the 8th century BC, but a recent archaeological discovery of 24 shipwrecks - two of them from the age of Nero - has landed it in the spotlight. The name Olbia means 'happy town', though its past has been somewhat difficult with the city destroyed and rebuilt many times throughout its history. Of course, that makes it all the more interesting, as every empire that came and went has left something of value behind for you to see.

MAY 22, MONDAY: PORTO-VECCHIO, CORSICA (7:30AM / 6:00PM)

GOLF: The birthplace of Napoléon Bonaparte is also home to **Sperone Golf Club**, a Cabell B. Robinson (for Robert Trent Jones) design opened on the southernmost tip of Corsica in 1990. Many compare the setting to Pebble Beach and Cypress Point. In several very memorable spots, Sperone is that good. The solid front nine winds through rugged Corsican undergrowth to a number of small raised greens. Eleven plays down toward the ocean and a slender ledge green sandwiched between large boulders. Twelve is a testy 3 par across a rocky canyon to an elevated cliff-top green. It's not a long layout so the round can be enjoyed with equal parts fun and photos!

SIGHTSEEING: Dating back to the 16th century, the fortified port town of **Porto-Vecchio** is now a Corsican resort destination. The Old Town district — with its cobblestone streets, charming buildings, and ruins of the ancient citadel — features fashionable shops, boutiques, and cafés while Porto-Vecchio's modern marina offers ferry rides to Bonifacio and the Lavezzi Islands nature reserve, plus a variety of places to enjoy a local beverage harborside. Visit the Church of Saint Jean-Baptiste, the Bastion San Antonia, and the Porte Genoise Gate for panoramic views of the sea, mountains and surrounding valley, or enjoy an afternoon at one of Corsica's two most famous beaches, Palombaggia and Santa Giulia, located just south of Porto-Vecchio. As dusk settles, head to the Old Town's Place de la République (main square) for its lively nightlife, bars, and restaurants.

MAY 23, MONDAY: MAHON, MENORCA (1:00PM / 10:00PM)

Enjoy a leisurely morning at sea.

Your arrival by ship is fortuitous as Mahon is most striking when approached by sea, perched atop a cliff overlooking the natural harbor. Shops cluster along streets between two plazas, one large and lined with cafés and restaurants, the other tranquil, and site of the Church of Santa Maria, known for a celebrated organ with four keyboards and more than 3,000 pipes; and Carmen, a convent whose cloisters now house the municipal market.

Enjoy it on your own arrangements or via **Azamara Shore Excursions®**.

MAY 24, WEDNESDAY: PALMA DE MAJORCA (8:00AM / 6:00PM)

GOLF: **Son Gual** has been lauded since it opened in 2007. The Thomas Himmel designed layout is considered the

finest of the Balearic Islands and is one of the most talked about venues in southern Europe, with the European Golf & Travel Media Association naming it as 'The Discovery of 2010'. Son Gual enjoys a lovely location, peppered with mature olive trees and wildflowers, with its design and conditioning being of the very highest standard.

SIGHTSEEING: The original city of **Palma** dates back to Roman times; modern day residents of the old quarter are still digging up artefacts in their gardens. Balanced on a seawall above the marina is the amazing gothic Cathedral, icon of the city, with some of the world's largest stained-glass windows. Also high on the artistic scale is the Museum of Contemporary Spanish Art featuring works by masters including Picasso, Miró, Gris, and Dali. Mother Nature's aesthetic achievements can be found in the **Caves of Drach**—mystical caverns where the play of shadow and light on the rock formations stimulates the imagination.

AY 25, THURSDAY: BARCELONA, SPAIN (DISEMBARK 9:00AM)

9:00AM Disembark *Azamara Pursuit*.

SIGHTSEEING: **Barcelona** is the 17th most visited city in the world according to *MasterCard's 2018 Global Destinations Index* and 3rd most popular in Europe behind London and Paris. There's a lot to like in this Olympic City (1992) from the food to the beaches, the weather and the night life. For many visitors however Barcelona is about architecture, especially the work of Antoni Gaudi. His Sagrada Familia in the city center is astounding. Construction began on the church in 1882; it is scheduled for completion in 2026 on the 100th anniversary of Gaudi's death. Azamara ships will almost always dock at the foot of Las Ramblas just steps from the Christopher Columbus statue. You will literally walk off the ship and into the city. No taxi required!

PEVERO GOLF CLUB: PORTO CERVO, ITALY

Pevero Golf Club Sardinia's first golf course opened in 1972 and designed by Robert Trent Jones. It's found along the edge of a rugged, jagged coastline in chic Costa Smeralda sandwiched spectacularly between the Gulf of Pevero and the sparkling bay of Cala di Volpe. The outward half plays counter-clockwise; the inward clockwise. While the coastline is never in play, Jones has added several ponds to make water an ever-present danger plus he has wisely afforded generous landing areas so that the course is enjoyable even when confronted by the area's famed north wind – the Mistral.

SPERONE GOLF CLUB: BONIFACIO, FRANCE

The birthplace of Napoléon Bonaparte is also home to **Sperone Golf Club**, a Cabell B. Robinson (for Robert Trent Jones) design opened on the southernmost tip of Corsica in 1990.
