
2023 South American Golf Cruise

10 Nights | 4 Rounds | Buenos Aires – Rio de Janeiro | February 25 – March 7

This Voyage is Hosted by PerryGolf Co-Founder Colin Dalgleish

PerryGolf is delighted to offer this very special 10 night, 4 round cruise to South America onboard the luxurious 700-guest *Azamara Pursuit*, visiting Argentina, Uruguay and Brazil. We begin in mesmerizing **Buenos Aires** and sail north, visiting **Montevideo, Punta del Este, San Paulo, Ilhabela** and **Paraty** before reaching **Rio de Janeiro**, The golf is delightful, including Montevideo's Alastair Mackenzie designed **Club de Golf del Uruguay**, and the **Olympic Golf Course** in Rio, site of golf's 2016 return to the Olympic Games.

Just a short sail from Buenos Aires and we are in Uruguay, visiting **Montevideo** with its European charm and elegance, and fashionable **Punta del Este** with an eclectic, artsy vibe.

After two relaxing days at sea, we dive into the 24-hour excitement of **São Paulo**, the largest metropolis in the Western Hemisphere well known for its cosmopolitan energy. We dial the pace back for the following two days with leisurely visits to the charming **Ilhabela** and **Paraty**. Finally we arrive in Rio de Janeiro where we have a full 24-hours to enjoy this most dynamic of cities, and a chance to visit one of the New Seven Wonders of the World, the 125-foot tall Christ the Redeemer, sitting high atop Corcovado Mountain.

Our golf on the cruise is diverse and challenging. **Club de Golf del Uruguay** is a creation of the illustrious Dr Alister MacKenzie. **Cantegril** in Uruguay is a tree-lined layout measuring 6,411 yards from the tips that flourished after architect Emilio Serra's redesigns in 1996 and 2000. **Sao Paulo** is rated #4 in Brazil and was designed by legendary Canadian architect Stanley Thomson assisted by a very young Robert Trent Jones. Renowned architect Gil Hanse designed the **Olympic Golf Course** in Rio for the 2016 Games and the layout delivered a thrilling duel as Justin Rose outlasted Henrik Stenson to claim the gold medal.

Azamara Pursuit is a mid-sized luxury vessel nimble enough to access smaller ports yet large enough to provide every amenity you expect from fine dining and live entertainment to a full-service spa. Forty-six suites are available with English butler style service which routinely book early. Particularly enjoyable about a PerryGolf / *Azamara* cruise is how the schedule will include many extended stays in port plus the occasional overnight which permits a truly immersive experience. Better still, **Azamara®** are inclusive of a full selection of beer, spirits, soft drinks, bottled water, specialty coffees plus wine with lunch and dinner along with gratuities for housekeeping, dining and bar staff.

The guest list typically numbers between 40 and 60, most of whom are golf couples. Montevideo exudes European charm and elegance, with broad boulevards, fountains, stately squares, and irresistible sidewalk cafes. The city maintains a low-key atmosphere despite its position as Uruguay's commercial and political hub, and there are few skyscrapers on the horizon, though there are some surprising contrasts – an Art Nouveau pedestrian mall, Art Deco Centenary Stadium, and an American Embassy designed by I.M. Pei. Most of the nation's countryside is farm or ranchland, and the life of the cowboy, or gaucho, is part of the local lore. Take a peek at the **Gacho Museum** (cowboy museum), or visit an estancia (ranch), and see them in action.
