
Royal River Thames Hotel Barge Cruise ~ Hampton Court to Henley on Magna Carta

6 Nights | 3 Rounds | Parties of 8 or Less

It gives PerryGolf great pleasure to introduce the splendid **Magna Carta** hotel river barge, offering no more than just four couples the opportunity to sail a beautiful section of England's Royal River Thames in considerable comfort and style, while enjoying fine golf and history in the counties of Berkshire, Buckinghamshire and Oxfordshire. **We are additionally pleased to invite fans of the popular television series Downton Abbey who cruise with us between 13 July - 7 September to tour the stately star of the show Highclere Castle.**

Magna Carta offers four staterooms of generous proportion, each beautifully furnished, and each with a spacious bathroom. The main salon and sundeck provide comfortable space to relax. Fine dining onboard is an absolute delight. Breakfast, lunch when taken on board, and dinner are all included in the price, as are Magna Carta's excellent choice of wines plus on board open bar of beers, spirits, and soft drinks.

It's beauty is a well kept secret, but only a mere ten miles west of the city of **London** centre the river meanders through quaint towns and villages, and through expansive and stunning green space. It feels like another world entirely, enjoyed in the shadow of the great metropolis. Each day, generally after golf, Magna Carta will sail for three or so hours at a stately pace to her next river mooring. It is simply splendid to sail each late afternoon watching the world glide by, ideally with a beverage of your choice to hand. Each evening a new mooring brings a new encounter; one evening she will berth in the shadow of **Windsor Castle**, another she will berth immediately adjacent to Hampton Court Palace.

There is exceptional golf to play and we have selected the very best in **Sunningdale, The Berkshire** and **Walton Heath**. We believe this is the perfect balance of golf, sightseeing, and gentle barge cruising. For guests however with an even greater thirst for golf we will be very pleased to custom build an itinerary encompassing additional golf on some of the outstanding courses in this area. Our sightseeing program is memorable and includes visits to several venues including Hampton Court Palace, former Tudor Palace of Henry VIII, Windsor Castle, and to the Magna Carta Memorial, from which the vessel takes its name.

Otherwise, enjoy a stroll by the water along the Thames Path. Chat to the lock keepers who are legendary for their knowledge and stories. Drift past peaceful water meadows rich in wildlife. Whatever you choose, you will encounter constantly changing scenery and discover fascinating delights. No stress, no hassle - just complete relaxation.

Captain Dominic Read will be your host and guide for the week, sharing his experience and great love of the River Thames. His on board crew will ensure you want for nothing.
